FOUNDER PRESIDENT

Shailendra Education Society

Dear Readers,

It gives us immense pleasure to present before you the twenty third edition of our college magazine '**SHAIENDRA.**' Friends, it has really been a long and successful journey of 25 plus years of continuous hard work, dedication and integrity on the path of an educational revolution. Thanks is due to everyone for being a part of it. With each coming year every SHAIENDRA will display the potential and hidden talent of our students and teachers alike.

The theme for this year is "India's Giant Leap: Chandrayaan - III and the G20 Summit" as India celebrates the global political and scientific achievements and the country is enveloped in a festive mood. This is a time to reflect on the struggles and sacrifices of our political leaders and scientists who continued their quest to make it possible for our country to reach new heights, and to renew our commitment to building a stronger, more prosperous nation.

As India continues to make strides in the global arena, two recent events have marked a significant milestone in our country's journey towards progress and leadership. The successful landing of Chandrayaan-III on the lunar surface and the hosting of the G20 Summit in New Delhi have showcased India's scientific prowess, diplomatic skills, and growing influence on the world stage.

Chandrayaan-III, India's second lunar mission, has achieved a historic feat by landing near the lunar south pole, a first for any country. This remarkable achievement demonstrates India's capabilities in space exploration and technology, paving the way for further advancements in scientific research and innovation.

The G20 Summit, which brought together leaders from the world's 20 largest economies, highlighted India's growing influence in global affairs. The summit provided a platform for India to showcase its economic growth, cultural diversity, and commitment to global cooperation. The event also underscored India's leadership role in promoting sustainable development, climate action, and digital transformation.

These two events have instilled a sense of pride and optimism among Indians, demonstrating that our country is capable of achieving greatness in various fields. As we move forward, it is essential that we continue to invest in science, technology, and innovation, while fostering global partnerships and collaborations.

In conclusion, Chandrayaan-III and the G20 Summit have marked a significant chapter in India's journey towards becoming a leading nation in the world. As we celebrate these achievements, let us also recognize the hard work, dedication, and vision of the individuals and teams involved in making these events a success. Together, we can continue to push boundaries and create a brighter future for all.

From the Principal's Desk

Dear Students,

It gives me immense pleasure to bring forth the latest edition of our college magazine '**SHAIENDRA**.' What better theme we could have this year than G20 Summit Presidency and Chandrayaan-3. This is a historic occasion for our country and a time for us to reflect on our past and look towards a brighter future.

The college organized a One-Day Futurological Seminar titled "Cooperation between India and Russia in the Sphere of University and Public Projects" on 2nd November, 2023. This event was held in collaboration with the Ministry of Education and Science of The Russian Federation, Russian State University for The Humanities, Moscow, Centre for Central Eurasian Studies, University of Mumbai, Vivek Education Society's Vivek College of Commerce, Goregaon, and Sonopant Dandekar Shikshan Mandali's Sonopant Dandekar Arts, V.S. Apte Commerce and M.H. Mehta Science College, Palghar.

The college, in collaboration with the Centre for Central Eurasian Studies at the University of Mumbai and Russian House, Mumbai, hosted a one-day International Conference on 6th February, 2024. The conference focused on the theme "BRICS: Way Ahead for Emerging Powerhouse."

The College serves as a Research Centre within the faculty of Commerce affiliated to University of Mumbai, specializing in Business Economics and Business Policy Administration. Currently, 07 students have successfully completed their Ph.D. under its auspices.

The Student's Council serves as the cornerstone of all college activities throughout the year. It acts as the primary representative body for students, influencing policy decisions at the highest levels within the college. The members of the Student Council actively assist in organizing a variety of events at the college level, contributing significantly to their successful execution. This year Mr. Sohan Raut (T.Y.B.A.F.) was the General Secretary of the Student's Council.

Currently, the College offers 21 add-on courses. Add-on courses are supplementary educational programs or modules intended to complement the core curriculum of students' primary courses of study. They are

From the Principal's Desk

specifically designed to impart additional skills, knowledge, or certifications that can enrich students' academic profiles and improve their career opportunities.

Recently, the college conducted two value-added courses, each spanning 30 hours. These courses focused on Sanskar Bharati Rangoli and Mehendi, providing students with practical skills and cultural enrichment opportunities.

The library staff organized an Orientation Programme for first-year students, providing a comprehensive introduction to the library's various facets. To commemorate the Birth Anniversary of Late President Dr. A. P. J. Abdul Kalam, a special "Book Exhibition" was organized, showcasing books authored by him and those written about him.

The Cultural Committee of Shailendra Degree College organized several engaging events throughout the academic year. They initiated a "Talent Hunt Fresher's Party", a vibrant 'Garba Function', the "FUNFAIR," featuring a wide array of attractions, themed days like Traditional Day, Mismatch Day, Denim Day, and Hat/Goggle Day, a "Prize Distribution Function", the "Annual Day" and the "Farewell Function".

Our college athletes and sportsmen showcased their skills in numerous Inter-collegiate competitions hosted by the University of Mumbai and prestigious institutions across Mumbai, earning accolades and honours for the college. In the various Mallakhamb competitions like Khelo India University Games, All India Inter University (National) Mallakhamb Competition, University of Mumbai Zonals and Interzonals Competition, etc. Mr. Mrugank Pathare and Ms. Shruti Uttekar won multiple awards and General Championship. Mr. Sunil Mourya, Mr. Vinayak Ninave, Mr. Sani Singh, Mr. Piyush Mishra and Mr. Sacchidanand Yadav won in various athletics events at University of Mumbai Athletics Zonal and Interzonal Competition. Ms. Sneha Dusange won in the Boxing and Judo events of Mumbai Zonal and Interzonal Competition.

The NSS Unit at the college organized a diverse range of impactful activities, fostering enthusiastic participation among volunteers throughout the year. The NSS Unit conducted E-Waste Collection Drives and engaged in Paper Bag Making and Distribution activities, advocating the principles of Reduce-Reuse-Recycle. Furthermore, the NSS Unit of our college organized a special seven-day residential camp in Village Belkhadi, Post Kaman, Taluka Vasai, Dist. Palghar. The camp included activities such as Approach Road building and Beautification, Vermicompost Pit Recharge, Swachhata Abhiyaan, Yoga and Exercise sessions, Street Play on Swachhata Awareness, and Village River Cleaning.

The Career Guidance & Placement Cell (Aided) and the Ideal Management team collaborated to organize a session focused on Resume Building and Interview Preparation. This session aimed to equip students with essential skills to excel in interviews. Empirical Academy and Multi Commodity Exchange of India Limited conducted an informative session on the Commodity Market at the college premises, providing valuable insights to students.

Several successful campus interviews were conducted by ICICI Lombard General Insurance Company, ICICI Prudential, Saraswat Bank, TCS, HikeEdu, Bankzone, HDB Financial Services, Kotak etc. and many

From the Principal's Desk

students were placed. A Campus Aptitude Test in collaboration with Mahindra & Mahindra Finance was conducted at our college premises.

The Women's Development Cell (WDC) organized informative sessions covering topics on women's health and rights, along with conducting various competitions aimed at promoting women's development. They also hosted a one-day workshop on "Self Defence" exclusively for girl students. To celebrate Women's Day, WDC arranged "Glitz & Glam Galore," featuring free Nail Art, Mehendi, and Hair Styling sessions.

The Department of Lifelong Learning and Extension (DLLE) aims to sensitize students to socio-cultural realities through various social initiatives. The Department of Lifelong Learning and Extension (DLLE) hosted the Annual Extension Work Festival titled "UDAAN – the flight of Extension." Our college enthusiastically participated in all competitions at the festival, with our student winning the 3rd Prize in Creative Writing.

The Nature Club enthusiastically observed Van-Mahotsav week, focusing on sustainability initiatives. They harvested compost from vermicomposting pits for planting various plants and reactivated the compost pits, enhancing the flowerpots nearby. Visits were organised to Ambika Yoga Kendra and Upper Kanheri Trek at the National Park.

The Department of Commerce in association with Department of Economics organized an Industrial Visit to Silvasa on 15th September, 2024. Students visited the Alok Industry located in Silvasa.

At the National Youth Festival "PRAJATANTRA-2023" organized by the PRAJA Foundation, seven students from the Department of Political Science participated. Ms. Shreya Sharma from T.Y.B.A. reached the semifinals of the Policy Representation competition, while Ms. Sapna Tiwari from S.Y.B.A. made it to the finals of the Debate Competition held in Delhi.

The Department of Self Finance organized an enriching Industrial Visit to Chandigarh and Shimla spanning 7 days and 6 nights. The visit aimed to provide students with firsthand insights into the manufacturing processes and stages involved in producing various components. This educational excursion proved highly informative, offering students a practical understanding of automobile manufacturing operations.

The Alumni Association focuses on cultivating and nurturing long-term relationships with alumni across diverse professional fields. Our vibrant association is dedicated to the ongoing development of the college community. An annual Alumni Meet is organized to foster connections and celebrate achievements.

I express my heartfelt wishes to everyone who has been a part of this overwhelming journey of plethora of multi-coloured activities for this year and wish success for more in the upcoming years.

Thank you!!!

Dr. Swati Pitale,
PRINCIPAL

INTERNAL QUALITY ASSURANCE CELL

The IQAC (Internal Quality Assurance Cell) of the college is dedicated to enhancing and sustaining the quality of education. It focuses on identifying innovative teaching aids, improving infrastructure, and providing recommendations for institutional development. Serving as a robust internal coordination and monitoring mechanism, the IQAC is pivotal in maintaining and elevating the institution's standards. It plays a crucial role in suggesting measures for quality enhancement and propagating a culture of excellence through various initiatives and best practices.

The college organized a One-Day Futurological Seminar titled "Cooperation between India and Russia in the Sphere of University and Public Projects" on 2nd November, 2023. This event was held in collaboration with the Ministry of Education and Science of The Russian Federation, Russian State University for The Humanities, Moscow, Centre for Central Eurasian Studies, University of Mumbai, Vivek Education Society's Vivek College of Commerce, Goregaon, and Sonopant Dandekar Shikshan Mandali's Sonopant Dandekar Arts, V.S. Apte Commerce and M.H. Mehta Science College, Palghar.

Hon. Prof. Ravindra Kulkarni, Vice Chancellor of the University of Mumbai, served as the patron of the program. Dr. Sanjay Patil delivered an introductory address that set the stage for an informative and interactive session. The seminar was graced by esteemed dignitaries from both India and Russia, making it a significant collaborative endeavour.

The college, in collaboration with the Centre for Central Eurasian Studies at the University of Mumbai and Russian House, Mumbai, hosted a one-day International Conference on 6th February, 2024. The conference focused on the theme "BRICS: Way Ahead for Emerging Powerhouse." The event was honoured by the presence of foreign delegates who participated online. Additionally, distinguished delegates from India's prestigious organizations contributed to the conference, enriching the discussions and insights shared during the sessions.

The College serves as a Research Centre within the faculty of Commerce affiliated to University of Mumbai, specializing in Business Economics and Business Policy Administration. Currently, 07 students have successfully completed their Ph.D. under its auspices. The Research

Cell recently hosted a guest lecture for teachers focused on the Avishkar Research Convention. This convention prepares participants for the annual Avishkar Competition organized by the University of Mumbai. Additionally, the Research Cell conducted an ADD On Course titled "Statistical Data Analysis using SPSS," aimed at enhancing analytical skills among faculty and students.

Moreover, the Research Development Cell organized a comprehensive Six Day Online Workshop on the use of SPSS for analysing research data. This workshop specifically catered to Ph.D. students enrolled at the college. Furthering its academic contributions, the college regularly publishes research papers in "Reverberations," a prestigious multidisciplinary peer-reviewed research journal. This publication serves as a platform for disseminating scholarly work across various fields of study.

The Student's Council serves as the cornerstone of all college activities throughout the year. It acts as the primary representative body for students, influencing policy decisions at the highest levels within the college. The members of the Student Council actively assist in organizing a variety of events at the college level, contributing significantly to their successful execution. This year Mr. Sohan Raut (T.Y.B.A.F.) was the General Secretary of the Student's Council.

Currently, the College offers 21 add-on courses. Add-on courses are supplementary educational programs or modules intended to complement the core curriculum of students' primary courses of study. They are specifically designed to impart additional skills, knowledge, or certifications that can enrich students' academic profiles and improve their career opportunities.

Recently, the college conducted two value-added courses, each spanning 30 hours. These courses focused on Sanskar Bharati Rangoli and Mehendi, providing students with practical skills and cultural enrichment opportunities.

Every year, the college organizes a Parents Teacher Meeting. The Parents Teacher Meeting provided an opportunity to update parents on various aspects including the examination system, semester pattern, rules and regulations, and expected discipline norms for

students. They were also briefed on the diverse range of co-curricular and extra-curricular activities available at the college, such as cultural events, sports competitions, and AROMA-Talent in our DNA, the intra-collegiate festival.

The library staff organized an Orientation Programme for first-year students, providing a comprehensive introduction to the library's various facets. This included an overview of the library itself, its staff, collections, and the services offered. Students were also instructed on library activities, rules, and regulations. Furthermore, the orientation covered practical skills such as using WEBOPAC for effective search strategies and accessing e-resources through the N-List project. Each year, the Best Library User Award recognizes outstanding students from both Aided and Self-Financed courses. During the academic year 2023-24, a total of 1570 students (816 in Term I and 754 in Term II) utilized the Book Bank facility. Of these, 1372 students benefited from the College Book Bank Scheme, while 198 students utilized the University of Mumbai's Book Bank Scheme. Overall, 8380 books were distributed to students through these schemes. To commemorate the Birth Anniversary of Late President Dr. A. P. J. Abdul Kalam, a special "Book Exhibition" was organized, showcasing books authored by him and those written about him.

The Cultural Committee of Shailendra Degree College organized several engaging events throughout the academic year. They initiated a "Talent Hunt Fresher's Party" to welcome new students and showcase their talents. During the Navratri Festival, a vibrant 'Garba Function' was held on 23rd October, 2023, providing students with a cultural celebration.

Another highlight was the "FUNFAIR," featuring a wide array of attractions including food stalls offering delicacies such as chaat, sandwiches, pizza, and traditional Indian dishes. Students actively participated in organizing and selling these items. Additionally, themed days like Traditional Day, Mismatch Day, Denim Day, and Hat/Goggle Day added excitement to campus life. The committee organized a "Prize Distribution Function" to recognize and commend students for their achievements in academics, as well as curricular and co-curricular activities from the previous year.

The Annual Day 2023-24 was themed "Indian

Culture," where students showcased Indian traditions through group dances and fashion shows, highlighting the richness of our heritage. To bid farewell to final-year students, the Cultural Committee hosted a memorable "Farewell Function." Throughout the year, students also participated enthusiastically in intercollegiate competitions and won several prizes.

Our college athletes and sportsmen showcased their skills in numerous Inter-collegiate competitions hosted by the University of Mumbai and prestigious institutions across Mumbai, earning accolades and honours for the college. In the various Mallakhamb competitions like Khelo India University Games, All India Inter University (National) Mallakhamb Competition, University of Mumbai Zonals and Interzonals Competition, etc. Mr. Mrugank Pathare and Ms. Shruti Uttekar won multiple awards and General Championship. Mr. Sunil Mourya, Mr. Vinayak Ninave, Mr. Sani Singh, Mr. Piyush Mishra and Mr. Sacchidanand Yadav won in various athletics events at University of Mumbai Athletics Zonal and Interzonal Competition. Ms. Sneha Dusange won in the Boxing and Judo events of Mumbai Zonal and Interzonal Competition. Our students also won in various sports events held at the Inter-collegiate level in Kabaddi, Volleyball, Kho Kho, Cricket, etc. securing numerous prizes and accolades for their alma mater.

The NSS Unit at the college organized a diverse range of impactful activities, fostering enthusiastic participation among volunteers throughout the year. The NSS Unit conducted E-Waste Collection Drives and engaged in Paper Bag Making and Distribution activities, advocating the principles of Reduce-Reuse-Recycle. Health-related initiatives included organizing a successful Blood Donation Camp and participating in an AIDS Awareness Workshop conducted by MDACS. Additionally, on International Yoga Day, students participated in Yoga Demonstrations and Practice sessions. They also volunteered with the Snehajyot Foundation in Dahisar, supporting the empowerment of Divyangjan.

The volunteers actively participated in several prominent university-level programs and events. NSS Volunteers engaged in the 'YUVA Samvad' event organized by Chetana College, Bandra, in collaboration with the Revenue Department. This event provided them

with a valuable opportunity to interact with IAS Officers and Senior Bureaucrats, fostering enriching experiences. Furthermore, the NSS Unit of our college organized a special seven-day residential camp in Village Belkhadi, Post Kaman, Taluka Vasai, Dist. Palghar. The camp included activities such as Approach Road building and Beautification, Vermicompost Pit Recharge, Swachhata Abhiyaan, Yoga and Exercise sessions, Street Play on Swachhata Awareness, and Village River Cleaning.

The Career Guidance & Placement Cell (Aided) and the Ideal Management team collaborated to organize a session focused on Resume Building and Interview Preparation. This session aimed to equip students with essential skills to excel in interviews. Empirical Academy and Multi Commodity Exchange of India Limited conducted an informative session on the Commodity Market at the college premises, providing valuable insights to students.

Several successful campus interviews were conducted by ICICI Lombard General Insurance Company, ICICI Prudential, Saraswat Bank, TCS, HikeEdu, Bankzone, HDB Financial Services, Kotak etc. and many students were placed. A Campus Aptitude Test in collaboration with Mahindra & Mahindra Finance was conducted at our college premises.

The college also hosted informative sessions such as Aviation and Hospitality by RNIham Institute and Youth's skill base and Employability by NIIT Foundation. A rigorous 240-hour training cum placement program on a Certificate course in Banking Financial Services, Insurance, and Soft Skills in collaboration with ITC Academy was conducted.

The Women's Development Cell (WDC) organized informative sessions covering topics on women's health and rights, along with conducting various competitions aimed at promoting women's development. They also hosted a one-day workshop on "Self Defence" exclusively for girl students. To celebrate Women's Day, WDC arranged "Glitz & Glam Galore," featuring free Nail Art, Mehendi, and Hair Styling sessions.

During Ashadhi Ekadashi, the "Marathi Vangmaya Mandal" organized a cultural event in Shailendra Nagar, where students adorned in Varkari costumes carried Mauli's palanquin, chanting tala-mridang and harinama. The cultural program included devotional songs and dances dedicated to Vitthal Rakhumai, along with a

portrayal from the life of Saint Gorakumbhar.

On 27th February, 2024, Marathi Language Pride Day and the celebration of Kusumagraj's birthday were commemorated with a recitation of his poems. Students and teachers participated by presenting Kusumagraj's literary works, beginning the event with a ceremonial lamp lighting and concluding with 'Pasayadaan'.

The Department of Lifelong Learning and Extension (DLLE) aims to sensitize students to socio-cultural realities through various social initiatives. A Funfair was organized on the college premises, where students managed stalls featuring a variety of food items. This event helped instil confidence in students and fostered skills in selling, communication, and interpersonal interactions. The Department of Lifelong Learning and Extension (DLLE) hosted the Annual Extension Work Festival titled "UDAAN – the flight of Extension." Our college enthusiastically participated in all competitions at the festival, with our student winning the 3rd Prize in Creative Writing. Furthermore, DLLE Department of Amlani College Vile Parle, in collaboration with the DLLE Department of University of Mumbai, organized "ELYSIUM" - an Inter-Collegiate Event for DLLE students. Our DLLE students participated in various competitions such as Tattoo Making, Essay Writing, and Happy Moments, securing the third prize. A Social Visit to an old age home at Datta Jay Foundation was planned and organized.

The Nature Club enthusiastically observed Van-Mahotsav week, focusing on sustainability initiatives. They harvested compost from vermicomposting pits for planting various plants and reactivated the compost pits, enhancing the flowerpots nearby. A compost sale was organized to raise awareness among students and teachers about converting waste into valuable resources through proper treatment.

Members of the Green (Nature) Club visited Ambika Yoga Kendra, where they harvested vermicompost initiated by previous club members. Additionally, the Green (Nature) Club organized an Upper Kanheri Trek at the National Park, which students thoroughly enjoyed and expressed interest in future participation. They also crafted collection bins for waste paper recycling in the college office, staff room, and exam room. To promote energy conservation, posters encouraging the "Switch off the light & fan" initiative

were displayed in every classroom and room. Furthermore, members of the club named plants in the butterfly garden, enhancing environmental awareness. On World Water Day, the club conducted Reel and Poster competitions on the theme of "Water Conservation through Personal Behavioral Change," emphasizing sustainable water usage practices.

The Quiz Club organized two engaging quiz competitions featuring a variety of challenges including multiple-choice questions (MCQs), Brand Name Identification, Logo Quiz, and Memory Tests.

The Department of Commerce conducted Add on Course on 'Export-Import Management' of 30 hours duration. It organised various lectures on 'Career Prospectus in Commerce', 'Commodity Exchange', 'Start Up- an Entrepreneurial Talent' and a session on IPR for the Commerce students. It also organized Sankat Mochak (Crisis Management) Competition under Aroma- Talent in our DNA 2023-24. The Department of Economics continuously encourages students to explore more knowledge, critically assess policies, and contribute to the development of economics. The DARE TO SHARE Competition was conducted under the AROMA-23-24 event. This event was conducted for students to learn about the rapid evolution of the shared economy that has changed the traditional economic set up around us. A guest lecture on Experimental Economics was conducted by Dr. Anirudh Tagat, Researcher, Author, and Economist at Monk Prayogshala, Mumbai.

This year Department of Economics conducted two Add on courses, viz. Add on course in Human Values for Happiness and Balanced Society and Add on course on Campus to Corporate Career Program. Special career counselling was provided to students by TNS Foundation and at the end, each student was helped with career placement and 13 students were placed in various companies.

The Department of Mathematics hosted a 'Data-Vis' competition aimed at showcasing data visualization skills among students. Additionally, the Department of Mathematics and Statistics conducted a workshop focused on Swayam and NPTEL online courses.

The Department of Accountancy conducted an Add-on Course on "Fundamentals of Accounting" for non-Commerce and non-accounting students to help them acquire sound body of knowledge in the subject of Book-Keeping and Accountancy. A quiz programme "Investment Mania" was conducted under the aegis of "AROMA- Talent in our DNA". It added a new Add-on Course on "Mutual Funds" which was successfully completed by 15 students from F.Y./S.Y./T.Y. B.Com. classes. Furthermore, an online Educational Program on Financial Literacy titled "Arth Nirmiti," sponsored by the Government of Maharashtra in collaboration with the Department of Accountancy, was organized to enhance our students' financial literacy skills.

The Department of English organised "Wordsmith Wizards" a "Analytical Writing Competition" under the aegis of AROMA Fest 2023-24. The intention behind organising such a competition was to evaluate your ability to communicate and support complicated ideas, design and test arguments, and engage in a clear and intelligible discussion of an issue. It also conducted an Add on course on 'International English Language Testing System (IELTS)' for a duration of 30 hours by Mr. Ashish Gaud, Certified IELTS Trainer, Nirmatra Ltd., for students in order to improve their proficiency in English. This course helped students to rectify their mistakes in speaking English. Also, a detailed guidance was given to students about IELTS modules like Listening, Reading, Writing and Speaking improving their communication skills.

The Department of History continually champions initiatives benefiting students in the Faculty of Arts. These efforts encompass field visits, interactive discussion forums, engaging quiz competitions, organizing youth parliament sessions, visits to legislative assemblies, and motivating students to actively partake in diverse inter-collegiate events and competitions. The Department of History conducted the 'RAHASYA-E-PETROGLYPS' event this year under the aegis of AROMA 2023-24. The entire theme of the event was for developing research mindset in the students and to help them get acquainted with the subject of Archaeology and the prospects of career in it. It also organized an Add-on Course titled 'INDIAN CLASSICAL MUSIC AND DANCE' for the academic year 2023-24. It was an introductory course to help the students understand the nuances of Hindustani music which is a rich cultural heritage of our nation.

The Department of Political Science has been actively involved in advancing educational initiatives and promoting awareness through impactful events. One such event was an educational discussion titled "Lessons from The Ocean," which centered on Antarctica and featured delegates from India and Russia. The session concluded with an engaging quiz on Antarctica, enhancing student knowledge and fostering interaction.

At the National Youth Festival "PRAJATANTRA-2023" organized by the PRAJA Foundation, seven students from the department participated. Ms. Shreya Sharma from T.Y.B.A. reached the semifinals of the Policy Representation competition, while Ms. Sapna Tiwari from S.Y.B.A. made it to the finals of the Debate Competition held in Delhi. In collaboration with the Internal Quality Assurance Cell (IQAC) of Shailendra College, Dahisar, the department organized a guest lecture titled "The Russian Ocean Way," which provided insights into Russian maritime strategies.

The Bachelor of Accounting and Finance (BAF) program offers a comprehensive three-year undergraduate course designed to equip students with in-depth knowledge of accounting and financial management. Enhancing the academic journey, sessions were conducted on "Investment Banking" and "Commodity & Derivative Markets," focusing on commodity derivatives, hedging strategies, and risk management in commodity investments.

The Bachelor of Management Studies (BMS) program offers a robust foundation in management education essential for success in today's global corporate landscape. Enhancing the educational journey, students benefit from experiential learning opportunities like a field visit to the Bombay Stock Exchange (BSE). Additionally, a specialized session on Soft Skills was conducted exclusively for female students to develop their professional competencies. In line with fostering social responsibility, students participated in a visit to an old age home at Citizen Welfare Association,

The BBI (Bachelor of Banking and Insurance) Department is committed to offering thorough education and extensive opportunities for students to achieve academic and professional excellence. The department organized a visit to the RBI Monetary Museum. Additionally, career guidance sessions titled "Career

Options in Banking and Insurance" and "Accounting Career Paths" were conducted to equip students with insights into potential career trajectories.

The B.Sc. (I.T.) and M.Sc. (I.T.) department has organized a range of activities, including seminars, events, and placement drives, which have significantly enriched students' understanding and practical knowledge in the field of IT.

The PG Department upholds its commitment to academic excellence, offering a diverse array of postgraduate programs aimed at nurturing intellectual growth, professional advancement, and personal enrichment. To enhance students' comprehension of Income Tax Return (ITR) filing, an instructive session was conducted on 13th April, 2024. The session aimed to provide students with comprehensive insights into various types of ITR forms and fundamental tax concepts.

The Department of Self Finance organized an enriching Industrial Visit to Chandigarh and Shimla spanning 7 days and 6 nights. The visit aimed to provide students with firsthand insights into the manufacturing processes and stages involved in producing various components. This educational excursion proved highly informative, offering students a practical understanding of automobile manufacturing operations.

The Alumni Association focuses on cultivating and nurturing long-term relationships with alumni across diverse professional fields. Our vibrant association is dedicated to the ongoing development of the college community. An annual Alumni Meet is organized to foster connections and celebrate achievements.

Recently, the Alumni Association hosted a guest lecture titled "Emerging Cyber Security Technology," featuring Mr. Sanket Mewada, an esteemed alumnus. The lecture provided valuable insights into the latest advancements in cyber security, benefiting current students and faculty alike.

College arranged PDP for staff on 'PLS 5' and 'Power BI' to motivate the staff to produce high quality research papers.

STUDENT'S COUNCIL

The Student's Council is the backbone of all the activities conducted in the college round the year. It represents the interests of all the students at the highest policy making level in the college. As per the new guidelines from the University regarding formulation of Student's Council by elections we waited for the formal schedule. But since it was not declared we conducted our own procedure to constitute the Student's Council by nominating Class Representatives through the Principal. Mr. Sohan Raut of T.Y.B.A.F was nominated as the General Secretary of the college for the year 2023-24.

Under his able leadership the council members participated in Independence Day Celebrations and

Republic Day Celebrations along with the NSS Volunteers. They helped in organization of various events at college level like Teachers Day Celebrations, International Women's Day Celebrations, Annual Prize Distribution, Alumni Meet, Degree Distribution Ceremony, Blood Donation Camp, Annual Day, Indoor & Outdoor Sports for teaching and non-teaching staff as well as students.

This apex body in the college administration provides a lot of confidence and improves leadership qualities amongst the students which goes on a long way in the formation of their dynamic personalities.

GYMKHANA

The college gymkhana has always been at the helm of multiple activities throughout the year. It has really been an activity about which we can feel proud of as we truly believe in the values provided by Sports activities to the budding sportsmen in particular and overall students as well. Apart from the professional players the layman students also get a chance to inculcate the spirit of sportsmanship and leadership qualities through the various inter-collegiate as well as intra-collegiate activities we conduct throughout the year. In fact, we consider that sports are not only a good source of entertainment and relaxation but also a mechanism for developing a sporty physique and a healthy mind as well. We are indeed fortunate enough to have a huge playground with lots of infrastructure and sports equipment facilities, a state-of-the-art gymnasium and a rifle shooting range which is rare in a metropolitan city like Mumbai.

The sports activities commence in the month of July 2023 and a Gymkhana Committee with various section heads was constituted. Out of these members the Gymkhana Committee representatives were elected as follows:

General Sports Secretary: Mr. Pratham Tawade (T.Y.B.M.S.)

Indoor Sports Secretary: Mr. Abhishek Pal (S.Y.B.B.I.)

Outdoor Sports Secretary: Mr. Vinayak Ninave (S.Y.B.A.)

Ladies Sports Secretary: Ms. Siddhi Deware (S.Y.B.B.I.)

B. SPECIAL RESIDENTIAL CAMP - 2023-24:

The NSS Unit of our college organized a Special Residential Camp from 11th December to 17th December, 2023. This seven-day residential camp was conducted at

Village- Belkhadi, Post- Kaman, Taluka- Vasai, Dist. – Palghar. A total of 48 NSS Volunteers participated in this camp.

The following activities were conducted during the camp:

Approach Road building and Beautification:

The approach Road towards the SES Campus was cleaned and build by the volunteers. The grass on the road was cleared and the stones and rocks for marking were painted white by the volunteers.

Vermicompost Pit Recharge:

The vermicompost Pit at the SES Campus was re dug and recharged by the volunteers.

Swacchata Abhiyaan:

Cleanliness of the campus and the Zilla Parishad School was undertaken by the NSS Unit during the Special Residential Camp. A small garden was planted in

the vicinity of the school for beautification of the school. It was an important activity as the cleaning of school helped the rural students to attend a clean and hygienic place for their primary education.

Village River Cleaning:

The students participated in the cleaning of the local village river. Various plastic, glass and metallic trash was removed from the river and the surrounding areas. The activity was conducted as a part of the Swaccha Bharat Abhiyan and the Shramdan activities.

Sessions for Personality Development:

The college arranged the following sessions for the volunteers during the Camp

Students thoroughly enjoyed the sessions and participated in the camp whole heartedly.

Yoga and Exercise:

Yoga and Exercise were compulsory activities during the camp. All the students had to report at 6.30 a.m. and had to participate in jogging, exercise and Yoga activity. Ms. Sakshi Kanojiya of S.Y.B.A. who had participated in the 7 days University Yoga Camp performed and conducted the Yoga sessions in the morning.

Street Play on Swachhata Awareness:

Students were organized in various groups and had to perform street play at the rural camp. Street plays were

conducted at the Zilla Parishad School in Belkhadi, at rural market place in Kaman village. The importance of inclusivity and gender equality was emphasized through the street play.

The NSS Residential Camp is a unique opportunity for all volunteers to develop their leadership qualities and team spirit. They get an opportunity to get evolved with the local community and to contribute for the development of the society. The students realized the economic and technical hardships that the people of rural background face. They also realized that there is a lot of work to be done at the rural level and decided to develop a more involving approach with the villagers in future and participate in the people centric projects like building

Asst. Programme Officer

check dams, building toilets etc. in the coming years.

The NSS Unit is committed to the values of selflessness and service to humanity. 74 students completed 120 Hrs in this academic year. This first-hand experience of working at grass root levels will go a long way in shaping their minds to become better citizens of tomorrow. Ms. Poonam Hendge was awarded Second Prize at Saptaranga – Sathaye College in Elocution Competition in the current academic year. Ms. Siddhi Purohit was awarded First Prize at Riwayat – AYDC for Open Mic Competition in February 2024. Ms. Saltanat Ansari was

awarded the best NSS Volunteers for the year 2022-23.

The year was extremely packed with various activities. The NSS Unit was felicitated at NSS Cell, University of Mumbai for collection of 154 Blood Bags at Borivali Railway Station. The NSS Unit was also felicitated by Seva Sahayog Foundation for Abhyasika Teaching Project

Though the journey of NSS was full of hard work of our volunteers, it became a bit smoother due to the undying support and timely guidance of Shailendra Education Society's Management, Prin. Dr. Swati Pitale, teaching and non-teaching staff. We expect similar support from them in all our future endeavours as well.

INDUSTRIAL VISIT TO CHANDIGARH AND SHIMLA

Industrial visit is an educational tour undertaken by students to explore the operations of a particular industry or company. Such visits provide students with an opportunity to witness practical applications of their theoretical knowledge and gain exposure to real-life situations. Students can learn about the latest

technologies, manufacturing processes, and operations management systems through industrial visits.

The Department of Self finance arranged Industrial Visit to Chandigarh and Shimla for 7 days and 6 nights from 5th to 11th January, 2024. A total of 4 faculties along with 137 students across all streams attended the visit. Students were accompanied with 4 faculties Dr. Shraddha Shukla, Asst. Prof. Hemchandra Kumbhar, Asst. Prof. Ameya Ghatge and Asst. Prof. Pranjali Mhapralkar. 30 students from B.A.F., 50 students from B.M.S., 20 students from B.B.I., 20 students from B.Sc.I.T., 10 students from B.Com. and 01 student from B.A. attended the Industrial Visit.

We visited Micro Turners which is the largest manufacturing plant located in Nalagarh, Dist-Solan, Himachal Pradesh. The Micro Turners has gained

immense expertise in supplying & trading of Two-wheeler spare parts excel, clutch, gear etc. The purpose of the visit was to observe the manufacturing process and understand the different stages involved in the production of these components. Industrial visit at Micro Turners started with a brief introduction of the company and its operations by Mr. Kuldeep Singh, a Management Representative of the Industry and Mr. Manish Kumar, Executive of Planning & Procurement Department. Mr. Kuldeep gave a brief description about the industry and their group explained the manufacturing technique of the parts and their quality standard. The sessions conducted were very educational and gave the students the exposure as to how the industry and the outside market functions.

The group Micro Turners is now well-known corporate in India, especially in the field of Forged & Machined Automotive Components due to its long-standing association with all the leading OEM's. The Company has been blessed with a continuous growth since its inception and in this millennium era. MT Group has diversified in many other verticals of operations like Manufacturing of Seamless Tubes, Press & Fabrication Components, Logistic Services, Industrial Mart Services, etc.

The company outreach plus opportunities were discussed which motivated the students to progress in their stream. This educational trip was very informative

and gave the students a feel of the manufacturing work being carried out in the field of automobile. The purpose of the Industrial Training is to provide exposure for the students on manufacturing fields.

In Shimla we visited the famous Church, Mall Road and The Hanuman Temple. D J Night was also arranged in the evening. Frolicking spirituality in its every aspect, the Jakhu Temple, is famous among the spiritually thirsty sightseers. The temple encompasses a statue of the deity Hanuman which is famed for being one among the tallest of statues in the world.

The Shimla Mall Road truly celebrates the spirit of the Hilltown. One of the important landmarks of the city, it is the second oldest church in North India. With its excellent architecture and rich historical significance, it is an extremely popular tourist spot and has been spotted in many Bollywood flicks too.

Students enjoyed sight scenes and adventure activities at Kufri like Ice-Skating, Trekking, Zip Lining, Paragliding, Skiing, Horse Riding, Yak Riding, Tobogganing, Rock Climbing, etc.

Industrial visits provided a unique opportunity for students to gain practical insights and real-world experience in their chosen field. The whole Industrial cum sight visit tour was successful and the students provided positive feedback regarding the visit.

ALUMNI ASSOCIATION

The main objective of Alumni Association is to develop and to maintain long term relationship with the alumni working in different fields. We have a very active and vibrant alumni association working for the development of the college.

Alumni Meet was organized on 9th December, 2023 from 5.00 p.m. to 9.00 p.m. in Prin. D.G. Samant Hall. More than 250 ex-students along with all the teaching staff had participated in it. Dr. Kanchan Dutt, Professor in charge of Alumni Association welcomed ex-students and gave PPT presentation and informed the students about new courses introduced and new development in the college. She also informed the students about placements and different courses started by the college. Teachers also communicated with alumni.

Many ex-students shared their memories of the college days. Assistant Prof. Shraddha Shukla proposed the vote of thanks. At the end of the programme everyone departed with the resolve to visit the college again.

Alumni Association had organized a guest lecture on “Emerging Cyber Security Technology” on 27th January, 2024 at 8:30 a.m. in Room No. 204 for T.Y Students. The resource person for the guest lecture was Ex-student Mr. Sanket Mewada. At present Mr. Sanket Mewada is working as Associate Information Security Analyst at Indusface Private Limited. He also discussed with students how to make Cyber Security as a career option. Ex- student Ms. Munira Lakhani was the Resource Person for add on course on Basics of Stock Market.

AROMA 'TALENT IN OUR DNA' 2023-24

The intra-collegiate fest 'AROMA-Talent in our DNA' 2023-24 was celebrated with a lot of zest and fervour. In all various kinds of 21 competitions were

organised for the students of both aided as well as self-finance classes. The various competitions and their details are as follows:

KHATRON KE KHILADI (RISK MANAGEMENT)

Risk is a scenario that might take place and affect the project. Identification, appraisal, and control of risks are all part of the risk management process. Every firm faces a unique set of hazards, and reducing those risks will help them live and prosper. Participants understood the value of risk management via this competition.

This competition was opening event of the Aroma-Talent in our DNA, a five-day fest 2023-24. This competition was conducted on 22nd August, 2023 in Prin. D. G. Samant Hall at 10 a.m. The activity in charge was Dr. Shraddha Shukla and student in charge for the competition was Ms. Shardul Chavan, T.Y.B.A.F. The judge and resource person for the competition was CA Prajit Gandhi who is currently, leading Risk Advisory & Consultant at J. L. Gandhi & Associates. Prior to the competition, the resource person gave two sessions to the competitors in which he instructed on the risk management procedure.

There were two rounds in this competition. Participants in Round 1 were given case studies from various companies, and they were required to examine the risks in the scenarios and recommend various risk-

mitigation strategies. For round 1, students had 45 minutes to research the risks posed by the companies, create a risk control matrix (RCM), and write a risk report. The group presented the same. The judge quizzed the team during round 2 in order to gauge their level of knowledge regarding risk management.

The Judge concluded by outlining the need for student improvement in risk assessment and the significance of risk management. For both contestants and audience members, competition was spectacular and educational. In all 96 students attended the competition. The competition featured three teams totalling five participants, and there were two awards awarded. The following teams won the competition:

RAHASYA – E – PETROGLYPHS

AROMA-2023 was celebrated with the theme – Talent in our DNA. The Department of History conducted the 'RAHASYA-E-PETROGLYPHS' event this year. The entire theme of the event was for developing research mindset in the students and to help them get acquainted with the subject of Archaeology and the prospects of career in it. Mr. Rutwij Apte a Field Archaeologist since 8 years was the expert for the event. He is working in Pravartak Technologies Foundation IIT Madras as a consultant scientific archaeologist. His work experience includes working at ASI Mini Circle Office, Hampi and at Directorate of Archaeology and Museums, Maharashtra. He is also working as visiting faculty of Archaeology in Centre for extra mural studies, University of Mumbai. He is working as a Field Archaeologist for the excavations at various Konkan Petroglyphs sites. The Department was glad to have an expert with practical field experience.

The event was conducted as an Essay competition for the students. The students were asked to prepare and write

an essay on the Petroglyphs of Konkan region. 45 students from all departments participated in the competition. The essays were assessed by the guest and the following prizes were awarded –

1. Ms. Saltanat Ansari Salim – T. Y. B. A.
2. Ms. Sanskruti Dhavale - F. Y. B. A.
3. Ms. Supriya Gandhi - T. Y. B. A.

The event concluded with the lecture of the guest. He gave a detailed presentation regarding various sites of the Petroglyphs namely – Barsu, Bhalavali, Chave Dewood, Devache Gothane, Devi Hasol, Ganpatipule, Gavkhadi, Neware, Nivali, Pokharbhav Dabhole – Devgad, Rundhe Tali, Sadaye, Sakhar and Ukshi. He shared his practical experiences in field archaeology which gave students the practical knowledge regarding the subject. Many students were impressed and were enthusiastic regarding career opportunities in Archaeology. The photographs and videos presented by the expert gave a detailed overview of the Petroglyphs carved out by Stone Age humans. As they are a fairly recent archaeological discovery, there is a huge potential for research regarding them. Mr. Apte also resolved the doubts and answered the queries of the young minds. The student volunteers who worked tirelessly for the event were – Ms. Samiksha Shigwan, Mr. Raju Mali, Ms. Manasi Padwal. It was a successful event.

DARE TO SHARE

The Dare to Share Competition was conducted on 23rd August, 2023 under Aroma-2023-24 in Room No. 204. The activity was conducted by the Department of Economics.

This event was conducted for students to learn about the rapid evolution of the shared economy that has changed the traditional economic setup around us. The sharing economy can promote resource optimization and sustainability and a more inclusive society, which fosters a sense of community and social connection. The activity was carried out in groups where each group had to pick up a firm working on the sharing economy model at an

international and national level, understand what opportunities the sharing economy model presents, and pose challenges related to the selected firm. Students have to present Economic, Social, and psychological benefits and demand side effects with reference to the sharing economy.

The resource person for this event was Ms. Seema Kakade Ahuja, Founder of Plan Happy Wealth, Certified Financial Planner, work experience of 20 years in Banking and Non-Banking Financial Services, and worked as an entrepreneur for the last 10 years.

A total number of 41 students attended this program and out of those 24 students presented in six different groups. The Principal along with the Judge felicitated the best two teams with trophies & certificates.

The learning outcome of the activity:

The activity sensitizes students to a socio-economic system that revolves around the sharing of resources. Students will learn about resource optimization, cost sharing, collaborative consumption, and sustainable practices. This will enable them to monetize their spare resources through sharing platforms.

FIFA- 23 E GAMING

Esports, short for electronic sports, is a form of competition using video games. Esports often takes the form of organized, multiplayer video game competitions, particularly between professional players, played individually or as teams. Since the world of esports has blown up in recent years, it has become a key focus for many gaming brands and sport teams to further explore. Gaming and football have never been a million miles away from each other with the hugely popular and competing FIFA and Pro Evolution Soccer computer games. These games played on Xbox, PlayStation and many other platforms have a huge following and paths are being created to lead them over to the esports world.

Considering these upcoming trends the Sports Department for the first time in its history organised a FIFA E Gaming competition for the students under the aegis of AROMA Fest- Talent in our DNA. Daily practice sessions were organised for students to familiarise them with the competition. The event was conducted in the Robotics Lab from 23rd to 26th August, 2023.

Around 50 students participated and the winners are as follows:

1. Mr. Abhay Manke (T.Y.B.M.S.) – First Prize
2. Mr. Vinay Tiwari (F.Y.B.A.) – Second Prize
3. Mr. Gauresh Rane (T.Y.B.Com.) – Third Prize
4. Ms. Anandi Popalkar (S.Y.B.M.S.) – Consolation Prize

The competition garnered a lot of participation and was immensely popular among students. The idea of organising this competition was the brainchild of our Prin. Dr. Swati Pitale. Thanks are due to her for her inspiration and support in conducting this event from start to end.

DEPARTMENT OF BACHELOR IN MANAGEMENT STUDIES

The B.M.S. program offers a sufficient foundational understanding of management education that is applicable in the modern, international corporate environment. Students enrolled in this course are exposed to a variety of practical M.B.A. program components, such as group studies, presentations, case studies, and project work. After completing this course, students may choose to enrol in management-focused or non-management-oriented courses. It provides students with the knowledge to understand better not only business management, but also the inner workings of organizations, their management, and their interactions with local, national, and global settings.

On 14th July, 2023, an orientation session was held. The main goals of the event were to inform parents and students about the academic components of the course, the institute's policies and procedures, and college culture. Raising parental involvement in monitoring their children's performance and advancement while also assisting learners in their overall development is achieved through raising awareness of the numerous co-curricular and extracurricular activities. There was a total of 40 students in the session.

A Field visit to the Bombay Stock Exchange (BSE) for the students of TY BMS/BAF/BBI was arranged on 8th August, 2023. 70 students from all streams along with Asst. Prof. Pooja Barad, Asst. Prof. Anita Sharma and Asst. Prof. Pranjali Mhapralkar visited BSE. The objective of the visit was to provide the students with an

opportunity to visit the oldest and historical place of stock trading and to make the students understand the working of BSE. At the BSE office, experts on financial markets shared their valuable experience with the students. The BSE experts also introduced students to the various certifications provided by the BSE Institute. It was a great learning experience for the students.

Session on Soft Skills (Exclusively for Girls) was organized on 23rd January, 2024, by Brand touch and Analytics. Mr. Rushikesh Rasal, an experienced soft skills trainer, during the session emphasized on physical attributes and personality traits that help employees interact with others and succeed in the workplace. He also guided the students about how to appear in the interview, communication skills, Personality development, and attire of the students during the interview, and general etiquette. He also conducted group discussions with the students that were very beneficial and boosted the confidence of the students. He discussed about the preferences of multinational companies, Banks, and Service Sectors. The training came to an end with a valedictory session when students received gift packets. 200 Girls were benefited with the session.

A social visit was organized to an old age home at the Citizen Welfare Association, Borivali (West). The objective of the visit was to connect the students with the problems of society. We reached there along with all the students of T.Y.B.M.S. on 21st February, 2024 at 11:00 am. Firstly, we gathered in the meeting hall where the

sister of the institution gave an introduction about the institution's organization and facilities rendered by them. Later on, she gave us the orientation of the institution and introduced us to its members. There were 65 elderly men and women in old age homes. The students of the college interacted with the elderly followed by an entertainment program with music action songs and dance. The inmates were very happy and blessed everyone. It was a joyous occasion full of satisfaction that the team could bring some rays of happiness among the elderly. It was a pleasure witnessing such wonderful work i.e.

unconditional services. Visiting an old age home was an eye-opening experience for the students. It gives a glimpse into the lives of the elderly and the challenges they face.

Department of BMS offers an Add-on-Course on Basics of Management to students where they are guided about MBA(CAT) Exams.

DEPARTMENT OF B. COM (BANKING & INSURANCE)

The Department of Commerce in Banking and Insurance (BBI) is a full-time Undergraduate qualification course. The main objective of the program is to develop qualified individuals who can manage a range of financial tasks related to the banking and insurance industries. The curriculum aids by offering the candidate with experience to the banking and insurance operational environments. The prospectus helps the candidate in learning about the workings of the banking and insurance industries.

BBI Department also conducts various workshops, Seminars, Guest Lectures, and Industrial visits for the students. College also tries to expose student's latent talent, and motivates them to think constructively. These activities help foster Teacher-Student connections for

better learning. Apart from this, the department strives hard to train students for 100% employability of its students. It provides Communication and Information Technology and uses Computer Laboratories.

An orientation was held on July 14, 2023, with the main goal of informing parents and students about the academic components of the course, the institute's policies and procedures, and college culture, encouraging parents to participate in their children's performance and development by raising awareness of the different co-curricular and extracurricular activities benefits students' overall development. 38 students arrived to join the instructional session.

A visit to RBI monetary museum was organized on 08th August 2023 for the students of BBI, BMS, and

BAF. Asst. Prof. Pooja Barad, Asst. Prof. Anita Sharma and Asst. Prof. Pranjali Mhapralkar visited the Monetary Museum with 70 students. Through a PowerPoint presentation, students were informed about the history of money as well as the duties and responsibilities of the Reserve Bank of India (RBI) and the origins of the phrase "Bankers, Bank & RBI". Students had a fantastic opportunity to learn about the history of the evolution of money, and the value of conserving money for the future by visiting a monetary museum. Students learned about various currencies and the history of money in a workshop held therein during visit. The museum showed the evolution of currency - from barter to coins, coins to paper money and, later, to e-money. The museum shows the journey of the monetary system in India. The coinage section had coins from the 6th century B.C. RBI Monetary Museum had various galleries wherein coins,

paper money, and other monetary artifacts are preserved. Students found the visit very interesting and informative.

A session on "Career Options in Banking and Insurance" and "Accounting Career Paths" took place on July 07, 2023. Mr. Kishore Parmar served as the speaker, providing valuable guidance on various career prospects, including Banking & Insurance, Computerized Accounting, and GST, drawing an audience of 90 students."

The Department of BBI offers Add-on-Course on the Stock Market to students which helps them to prepare for a career in equity analysis, portfolio management, financial advising, and trading, providing them with the expertise to navigate and succeed in the stock market.

DEPARTMENT OF B. Sc. I.T & M.Sc. I.T

The B.Sc. (IT) is a three-year undergraduate degree program offered by the University of Mumbai. The program focuses on providing students with a comprehensive understanding of various aspects of Information Technology. The program focuses on providing students with a comprehensive understanding of various aspects of Information Technology. Upon completion of the program, students can pursue a career in various areas such as software development, web development, database administration, network administration, and cybersecurity. The program also provides a strong foundation for further studies in areas such as Master of Computer Applications (MCA) and Master of Science in Information Technology (M.Sc. (I.T.)).

As department of the B.Sc. (IT) and M.Sc. (I.T.) various activities are conducted to provide practical exposure to the students. The recent activities conducted in the college, include add-on courses, seminars, industrial visits, events, and placements.

Under the B.Sc. (IT) and M.Sc. (IT) Department there are total 9 Add-on Courses conducted between

November, 2023 to February, 2024. The add-on courses are Web Designing, Hardware & Networking, Mobile Application Development, Programming in C++, Graphics Designing, Python, Cyber Security, Data Science, and Security Support. These courses are usually elective and are not required for graduation, but they can provide students with a competitive edge in the job market or prepare them for further studies.

The college organized 2 days IoT Workshop on 4th & 5th August, 2023, for IT students in Lab 3. The session was conducted by corporate trainer Mr. Ahmed S. Shaikh. The session was informative and effective.

The guest lecture on "Full Stack Java Development" was organized on 17th July, 2023 by Department of M.Sc. (I.T.) with the objective of providing participants with insights into the world of full-stack Java development and empowering them with the knowledge to build end-to-end web applications using Java technologies. The guest lecture aimed to bridge the gap between theoretical concepts and practical implementation by featuring an industry expert who shared their expertise and experiences.

The esteemed guest speaker for the workshop was Mr. Lovesh Kumar, a seasoned Java developer with over 15 years of experience in the IT industry. Mr. Lovesh Kumar has worked on various complex projects, ranging from large-scale enterprise applications to cutting-edge web and mobile applications.

The guest lecture on "Cyber Security and Awareness" was organized on 21st July, 2023 by Department of M.Sc.(I.T.) with the aim of educating participants about the importance of cyber security in the digital age and raising awareness about the potential risks and threats associated with the use of technology. The guest lecture featured an expert in the field of cyber security who shared valuable insights and practical tips to help participants protect themselves and their organizations from cyber-attacks.

The esteemed guest speaker for the lecture was Mr. Sanket Mewada, a renowned cyber security expert with extensive experience in the industry. Mr. Sanket Mewada is a certified professional and has worked on numerous cyber security projects, including advising businesses, government agencies (India G-2020), and individuals on best practices for safeguarding their digital assets.

The guest lecture covered a comprehensive agenda that included the key topics like Introduction to Cyber Security, Common Cyber Threats and Attacks, Techniques for Identifying and Preventing Cyber Attacks, Importance of Strong Passwords and Authentication, Securing Personal and Organizational Data, Incident Response and Reporting and Safe Internet Practices and Social Engineering Awareness etc.

A dedicated question-and-answer session was held after the presentation, where Students actively engaged with the guest speaker to clarify their doubts and seek further insights into specific aspects of full-stack Java development. This interactive session facilitated a deeper understanding of the subject matter.

The various activities conducted by the B.Sc. (I.T.) and M.Sc. (I.T.) department, such as seminars, industrial visits, events, and placement drives, have provided valuable exposure to the students and helped them gain practical knowledge in the field of IT. The department will continue to organize such activities to provide the best learning experience to the students.

Asst. Prof. Dr. Hemchandra Kumbhar,
Head of the Department, B. Sc. I.T. & M. Sc. I.T.

DEPARTMENT OF M. COM (ADVANCED ACCOUNTANCY)

The M.Com. program is a two-year, full-time postgraduate endeavour that seeks to equip students with specialized expertise in areas such as accounting and taxation. The M.Com. in Accounting program is designed to foster critical thinking, application of skill sets, and a competitive advantage over graduates of conventional programs. Spread across four semesters, the curriculum, offers in-depth exploration of corporate laws, international taxation, international economics, derivatives, and other pertinent subjects. Tailored to address individual strengths and weaknesses, the courses are meticulously crafted to align with market opportunities in students' chosen fields.

An informative session on Income Tax Return (ITR) filing was organized on 13th April, 2024 to provide students with a broad understanding of different types of ITR forms and essential tax concepts. The speaker-initiated engagement by asking basic questions related to income tax laws in India, including types of income, residential status, and taxpayer categories. The focus was primarily on explaining the types of ITR forms and the eligible assesses for each form. Furthermore, a live demonstration of the ITR login and filing process was conducted to offer practical insights. The guest lecture proved to be insightful, with students actively participating and maintaining interest throughout the session.

SECTION

G- 20 AND INDIA'S PRESIDENCY

The G-20 Summit is an annual gathering of leaders from the world's largest economies, representing both developed and developing nations. The primary aim of the summit is to address key global economic issues and promote international financial stability and cooperation.

The G-20 comprises 19 individual countries plus the European Union, collectively accounting for around 80% of global GDP and two-thirds of the world's population.

One of the main purposes of the G-20 Summit is to facilitate discussions on a wide range of economic and financial topics, including trade, investment, fiscal policy, monetary policy, and development. Through dialogue and cooperation, member countries seek to address common challenges, such as economic growth, financial regulation, and sustainable development.

Each year, the G-20 Summit is hosted by a different member country, rotating among its members. During the summit, leaders engage in high-level discussions and negotiations, aiming to reach consensus on key issues and develop strategies to address global economic challenges. The outcomes of the summit are often reflected in joint declarations and action plans, outlining commitments and initiatives to be undertaken by member countries.

In addition to the formal meetings among leaders, the G-20 Summit also provides opportunities for bilateral and multilateral discussions on the sidelines, allowing leaders to address specific issues of mutual interest and importance.

Overall, the G-20 Summit plays a crucial role in promoting international economic cooperation, fostering dialogue among the world's major economies, and shaping policies to address global economic challenges and promote sustainable development.

The 2023 G20 New Delhi summit was the eighteenth meeting of G20 (Group of Twenty). It was held in Bharat Mandapam International Exhibition-Convention Centre, Pragati Maidan, New Delhi on 9–10 September 2023. It was the first G20 summit held in India.

Originally, India was scheduled to host the G20 summit in 2021 and Italy in 2022. At the 2018 G20 Buenos Aires summit in Argentina, Prime Minister

Narendra Modi said he had requested Italy to host the summit in 2021 and allow India to host it in 2022, on the occasion of the 75th year of India's independence. Italy agreed to let India host the G20 summit in 2022 in its place, owing to the momentum in bilateral ties.

However, after a request made by Indonesian Foreign Minister Retno Marsudi, India exchanged its presidency of the G20 with Indonesia because Indonesia would also chair the Association of Southeast Asian Nations (ASEAN) in 2023.

The G20 New Delhi Summit was chaired by the Indian Prime Minister, Narendra Modi. India's presidency began on 1st December 2022, leading up to the summit in the third quarter of 2023. The presidency handover ceremony was held, in which the G20 Presidency gavel was transferred from Indonesian President Joko Widodo to Indian Prime Minister Modi at the close of the Bali summit. Indonesia held the presidency in 2022.

Indian Prime Minister Modi formally handed over the G20 presidency to Luiz Inácio Lula da Silva, the President of Brazil. India will continue to hold the position until 30th November, 2023.

G20 India has put forth six agenda priorities for the G20 dialogue in 2023:

- Green Development, Climate Finance & Life
- Accelerated, Inclusive & Resilient Growth
- Accelerating progress on SDGs
- Technological Transformation & Digital Public Infrastructure
- Multilateral Institutions for the 21st century
- Women-led development

In an interview on 26th August, 2023, Prime Minister Modi expressed optimism about the G20 countries' evolving agenda under India's presidency, shifting toward a human-centric development approach that aligns with the concerns of the Global South, including addressing climate change, debt restructuring through the G20's Common Framework for Debt, and a strategy for regulation of global cryptocurrencies.

MISSION CHANDRAYAAN III- INDIA ON THE MOON

We all know that the bright scientists at the Indian Space Research Organisation (ISRO) successfully landed a spacecraft on the lunar surface last month, making India only the fourth country in the world to achieve the feat. But why are we sending a spacecraft to the Moon in the first place? India launched the Chandrayaan-3 mission to the Moon because it wants to learn more about our mysterious neighbour in the sky.

Sending a rocket to the moon is like sending a super smart robot to do some detective work. In this case the robot was the rover called Pragyan which conducted a series of experiments on the moon. The robot took pictures, studied rocks and even checked if there is any water or other interesting stuff on the lunar surface. Why do we want to know all this? Well, it's because the Moon can tell us the history of our own planet, the Earth. So, India and many other countries are sending rockets to the moon to learn, explore and satisfy our curiosity about the fascinating world above us.

Chandrayaan- 3, India's ambitious lunar mission, represents the nation's unyielding commitment to space exploration. Following the successes of Chandrayaan-1 and Chandrayaan-2, this mission elevated India's reputation in the global space community with a successful landing on August 24, 2023.

Chandrayaan-3 aims to build upon the achievements of its predecessors. The primary goal of the mission is to achieve a soft landing on the lunar surface, specifically targeting the south pole region where the presence of water ice has been confirmed. This water resource could

potentially revolutionize space travel by providing a critical ingredient for supporting future lunar bases and deep-space exploration.

Chandrayaan-3 will improve India's standing in the international space community if the mission is a success. The younger generation will be motivated by this objective to seek jobs in **STEM** (Science, Technology, Engineering, and Mathematics) fields. India wants to show off its scientific brilliance, technical capability, and dedication to space exploration with Chandrayaan-3.

Chandrayaan-3 is not only a scientific endeavour but also a testament to India's technological prowess. The mission showcases the Indian Space Research Organisation's (ISRO) expertise in designing and executing complex space missions on a relatively modest budget. The success of Chandrayaan-2's orbiter, despite the lander's unfortunate crash, demonstrates India's capability to overcome setbacks and still derive valuable scientific findings.

Chandrayaan-3 symbolizes India's determination to continue pushing the boundaries of space exploration. Through technological innovation, scientific curiosity, and international collaboration, the mission seeks to unravel the Moon's mysteries and pave the way for future lunar endeavours. As Chandrayaan-3 sets its sights on a successful lunar landing, it also sets the stage for India to emerge as a prominent player in humanity's journey to the stars.

G-२०

देशाची राजधानी दिल्ली G-२० परिषदेच्या यजमानपदासाठी सज्ज झाला. ९ आणि १० सप्टेंबर रोजी दिल्लीतील प्रगती मैदानाच्या भारत मंडपमध्ये या परिषदेचं आयोजन करण्यात आले होते. ब्रिटनचे पंतप्रधान ऋषी अनेक सुनक यांच्यासह अमेरिकेचे राष्ट्राध्यक्ष जो बायडन G-२० परिषदेत सहभागी होण्यासाठी शुक्रवार (८ सप्टेंबर) दिल्लीत पोहचले होते. दरम्यान, G-२० बाबत लोकांच्या मनात अनेक प्रश्न उपस्थित होत होते. G-२० म्हणजे काय ? G-२० ची सुरुवात कशी झाली आणि त्याची पहिली बैठक कुठे झाली ? G-२० कशासाठी घेतली जाते ? असे अनेक प्रश्न, तर याबद्दल सविस्तर जाणून घेऊया.

G-२० म्हणजे काय ?

G-२० हा २० देशांचा समूह आहे. या देशांचे प्रतिनिधी एकत्र येऊन जगातील आर्थिक आणि राजकीय प्रश्नांवर चर्चा करतात. G-२० देशांचा जागतिक आणि आर्थिक उत्पादनात ८५ टक्के आणि जागतिक व्यापारात ७५ टक्के पेशा जास्त वाटा आहे.

G-२० मध्ये कोणत्या देशांचा समावेश होतो ?

G-२० हा जगातील २० देशांनी मिळून बनवलेला एक शक्तिशाली गट आहे आणि याची स्थापना १९९९ साली झाली. याची स्थापना मजबूत अर्थव्यवस्था असलेल्या देशांनी एकत्र येऊन परस्पर सहकार्य करावे यासाठी झाली. भारताबरोबरच चीन, अमेरिका, रशिया, जर्मनी, जपान, ब्रिटन, फ्रान्स, इटली, ऑस्ट्रेलिया, ब्राझील, कॅनडा, इंडोनेशिया, दक्षिण आफ्रिका, सौदी अरेबिया, तुर्की, मेक्सिको, दक्षिण कोरिया, युरोपियन युनियन आक्षि अर्जेन्टिना या देशांचा या गटात समावेश आहे.

G-२० समिट बनवण्याचा उद्देश काय होता ?

१९९९ च्या अगोदर काही वर्षांपासून आशिया खंडातील देश आर्थिक संकटाचा सामना करत होते. त्या पार्श्वभूमीवर जर्मनीमध्ये G-८ देशांची बैठक झाली आणि त्यांनी ची स्थापना केली. यामध्ये मजबूत अर्थव्यवस्था असलेल्या सर्व २० देशांचे अर्थमंत्री आणि केंद्रीय बँक गव्हर्नरना बोलावण्यात आले होते. जागतिक आर्थिक समस्यांवर परस्पर चर्चा करून तोडगा काढणं, हा या संगटनेचा उद्देश होता.

जगासाठी G-२० चं महत्त्व काय ?

G-२० च्या ताकदीचा अंदाज यावरून लावला जाऊ शकतो का. त्याच्या सदस्य देशांकडे एकत्रितपणे जगाच्या GDP च्या ८० टक्के, लोकसंख्येच्या ६० टक्के आणि जागतिक व्यापारात ७५ टक्के वाटा आहे. अशा परिस्थितीत या परिषदेत घेतलेल्या निर्णयाचा जागतिक अर्थव्यवस्थेवर मोठा परिणाम होतो.

G-२० ची बैठक कुठे होणार हे कसं ठरतं ?

सर्व २० सदस्य देशांमध्ये दरवर्षी रोटेशनची एक प्रणाली आहे. ज्याद्वारे नवीन अध्यक्ष निवडला जातो. जो देश परिषदेचा अध्यक्ष होतो तो G-२० बैठक आयोजित करण्याची जबाबदारी पार पडतो. यंदा (२०२३ रोजी) भारताने G-२० चं अध्यक्षपद भूषवले.

परिषदेत G-२० चा भाग नसलेले किती देश आले ?

G-२० चा भाग नसलेल्या देशांना देखील परिषदेसाठी आमंत्रित केले जातं. भारताने नऊ देशांना G-२० मध्ये सामिल होण्यासाठी आमंत्रित केले होते, ज्यात बांग्लादेश, इजिप्त, यूएई, नेदरलँड्स, मॉरिशस, नायजेरिया, ओमान, सिंगापूर आणि स्पेन या देशांचा समावेश होता.

आतापर्यंत किती G-२० बैठका झाल्या ?

G-२० च्या स्थापनेला २४ वर्ष झाली असली तरी दरवर्षी G-२० ची बैठक व्हाय हवी असं नाही. दोन दशकांहून अधिक काळात एकूण १७ वेळा G-२० बैठका झाल्या आहेत. G-२० परिषद आयोजित करण्याची ही १८ वी वेळ आहे. सदस्य देशांचे अर्थमंत्री आणि सेंट्रल बँकेचे गव्हर्नर सभेदरम्यान आर्थिक मुद्द्यांवर चर्चा करतात.

G-२० चा सामान्य जनतेला काय फायदा ?

G-२० बैठकीदरम्यान जगातील अर्थव्यवस्था मजबूत करण्यावर आणि तिला प्रोत्साहन देण्यावर चर्चा होते. आर्थिक मजबुतीमुळे देशांमध्ये रोजगाराच्या अधिक संधि निर्माण होतात. इथे शिक्षण, अन्नधान्याच्या किमती नियंत्रित करणं, रोजगार अशा मुद्द्यांवर देखील चर्चा होते.

चंद्रयान ३

चंद्रयान ३

भारतीय अंतराळ संशोधन संस्थेची (ISRO) तिसरी चंद्र शोध मोहीम आहे. यात चंद्रयान - २ प्रमाणेच लँडर आणि रोव्हर आहे, परंतु ऑर्बिटर नाही. ह्याचे प्रोपल्शन माड्यूल हे कम्युनिकेशन रिले उपग्रहासारखे वागले अंतराळयान हे १०० किमी चंद्राच्या कक्षेत येईपर्यंत प्रोपल्शन माड्यूल हे लँडर आणि रोव्हर घेऊन गेले.

संस्था - भारतीय अंतराळ संशोधन संस्था (ISRO)

मुख्य - कंत्राटदार - भारतीय अंतराळ संशोधन संस्था (ISRO)

सोडण्याची तारीख - २३ ऑगस्ट २०२३

कुठुन सोडली - सतीश धवन अंतराळ केंद्र, श्रीहरिकोटा

सोडण्याचे वहान - LVM3 M4

प्रकल्प कलावधी - विक्रम लँडर - < १४ दिवस (नियोजित)

प्रज्ञान लँडर - < १४ दिवस (नियोजित)

वस्तुमान - ३९०० किलो

ठिकाण - सतीश धवन अंतराळ केंद्र, श्रीहरिकोटा

२२ जुलै २०१९ रोजी प्रेक्षित केलेली चंद्रयान - २ मोहीम ६ सप्टेंबर पहाटे चंद्रावर लँडर आणि रोव्हर क्रॅश झाल्यानंतर अशतः अयशस्वी झाली होती. मात्र त्यानंतर ISROने नियोजित चंद्रयान - ३ मोहीम हाती घेतली. चंद्रयान - ३ चे प्रक्षेपण १४ जुलै २०२३ रोजी दुपारी २:३५ वाजता झाले.

पहिल्या टप्प्याचा भाग म्हणून १०० किमी गोलाकार ध्रुवीय कक्षाचे इंजेक्शन यशस्वीरित्या पूर्ण झाले.

लँडर आणि रोव्हर २३ ऑगस्ट २०२३ रोजी संध्याकाळी ६:०४ वाजता चंद्राच्या दक्षिण ध्रुव प्रदेशाजवळ उतरले. या मोहिमेमुळे भारत हा चंद्राच्या दक्षिण ध्रुवाजवळ अंतराळयान यशस्वीपणे उतरवणारा पहिला देश आणि चंद्रावर सॉफ्ट लँडिंग करणारा चौथा देश बनला.

उद्दिष्टे -

ISROने चंद्रयान - ३ मोहिमेसाठी तीन मुख्य उद्दिष्टे निश्चित केली आहेत, ज्यात पुढील गोष्टींचा समावेश आहे.

चंद्राच्या पृष्ठभागावर लँडर सुरक्षितपणे उतरविणे.

चंद्रावर रोव्हरच्या फिरण्याच्या क्षमतेचे निरीक्षण आणि प्रात्यक्षिक पाहणे.

चंद्राची रचना अधिक चांगल्या प्रकारे समजून घेण्यासाठी आणि सराव करण्यासाठी चंद्राच्या पृष्ठभागावर उपलब्ध असलेल्या रासायनिक आणि नैसर्गिक घटक, माती, पाणी इत्यादींवर वैज्ञानिक प्रयोग करणारे इन - साइट वैज्ञानिक निरीक्षण. इंटरप्लॅनेटरी म्हणजे दोन ग्रहांमधील मोहिमासाठी आवश्यक असलेल्या नवीन तंत्रज्ञानाचा विकास आणि प्रात्यक्षिक करणे.

पार्श्वभूमी -

चंद्रावर सॉफ्ट लँडिंगचे प्रात्यक्षिक करण्यासाठी चंद्रयान कार्यक्रमाच्या दुसऱ्या टप्प्यात, ISROने चंद्रयान - २ लॉन्च व्हेईकल मार्क - ३ (LVM3) प्रक्षेपित केले. या वाहनात ऑर्बिटर, लँडर आणि रोव्हर होते. प्रज्ञान रोव्हर तैनात करण्यासाठी लँडर सप्टेंबर २०१९ मध्ये चंद्राच्या पृष्ठभागात उतरणार होते.

चंद्राच्या दक्षिण ध्रुवाचा मोहिमेसाठी जपान सोबत भागीदारी करण्याबाबत अहवाल समोर आले होते. या अहवालांनुसार भारत लँडर प्रदान करणारा होता जर जपान लॉन्चर आणि रोव्हर असे दोन्ही प्रदान करणार होता.

नंतर विक्रम लँडरच्या अपयशामुळे २०२५ मधील जपानच्या भागीदारीत प्रस्ताविता केलेल्या ‘‘चंद्र ध्रुवीय शोध मोहिमे‘‘ साठी आवश्यक लँडिंग क्षमता प्रदर्शित करण्यासाठी दुसऱ्या पाठपुरावा करण्यात आला. मिशन क्रिटिकल फ्लाइट ऑपशेशन्स दरम्यान, युरोपियन स्पेस एजन्सी (ESA) द्वारे संचालित युरोपियन स्पेस ट्रॅकिंग (ESTRACK) करारानुसार या मोहिमेला समर्थन देईल.

प्रक्षेपण -

चंद्रयान - ३ चे प्रक्षेपण १४ जुलै २०२३ रोजी, भारतीय वेळेनुसार दुपारी २:३५ श्रीहरिकोटा, आंध्र प्रदेश येथील सतीश धवन, अंतराळ केंद्रातून करण्यात आले. जवळपास ३,९०० किलोचे प्रक्षेपणे पार पडले. चंद्रावर पोहोचण्यासाठी लागणाऱ्या मार्गात पार पडले पृथ्वी आणि चंद्र यांच्यातील अंतर अंदाजे ३,८४,४००० किलोमीटर आहे.

खर्च -

डिसेंबर २०१९ मध्ये, ISROने या प्रकल्पासाठी रु. ७५ करोड (US \$१६.६५ मिलियन) इतक्या प्रारंभिक निधीची विनंती करण्यात आली होती. त्यापैकी रु. ६० कोटीची तरतूद, यंत्रसामग्री, उपकरणे आणि इतर भांडवली खर्चाच्या पूर्ततेसाठी होती, तर उर्वरित रु १५ कोटी हे महसूली खर्च ह्या शीर्षकाखाली होते.

चंद्रयान - ३ प्रकल्पाची किंमत सुमारे रु. ६१५ कोटी पर्यंत आहे. याऊलट यानाच्या यशस्वी लँडिंग नंतर शेअर बाजारात ततेजी आली असून अवघ्या चारच दिवसात या मोहिमेच्या संबंधित १३ कंपन्यांच्या शेअरमध्ये देखील वाढ झाली असून या कंपन्यांचे मूल्यांकन हे ३०,७०० कोटी रुपयांपर्यंत वाढले आहे. याचसोबत सौदी अरेबिया, सिंगापूर आणि दक्षिण कोरियासह बऱ्याच देशांनी अंतराळ क्षेत्रातील भागीदारीसाठी भारताशी संपर्क साधला आहे.

चंद्रयान ३ मोहिम

बालपणी आईने गाण्यांमार्फत नातं जोडलेला चांदोमामा नेमका कसा दिसतो ? या चांदोमामाचे गाव किती दूर आहे ? असे अनेक प्रश्न माझ्या अल्लाड मनाला पडायचे त्यानंतर मराठीच्या पुढ्यपुस्तकात सुंदर चेहऱ्याला चंद्राची उपमा दिली जायची तेव्हा वाटायचे चंद्र अतिशय सुंदर आहे परंतु भूगोल च्या पाठ्यपुस्तकाने खऱ्या अर्थाने कल्पनिकदृष्ट्या नातं जोडलेल्या चांदोमामाकडे वैज्ञानिक दृष्टीकोनातून पाहायला शिकवले चंद्र हा पृथ्वीभोवती फिरतो त्याने बऱ्याच वर्षांपासून पृथ्वीचे लघुग्रहांपासून संरक्षण केले आहे म्हणूनच भावाप्रमाणे रक्षण करणाऱ्या चंद्राला आपण मामा म्हणतो कारण पृथ्वी आपली माता आहे. पृथ्वीपासून चांदोमामा ३,८४,००० किमी दूर आहे आता एराट्या लांब चांदोमामाच्या गावी जायला आपल्याला विज्ञानाची मदत घ्यावीच लागणार परंतु चंद्राला चांदोमामा म्हणणारा भारत हा जगातील एकमेव देश आहे कारण आपण आपल्या देशाला भारतमाता म्हणतो याच भारतमातेच्या लेकरांनी विज्ञान आणि तंत्रज्ञानाच्या प्रगतीने चांदोमामाचे गाव गाठण्यासाठी मोहिमा आखल्या ज्यांचे नाव अहे “चांद्रयान”.

चांद्रयान - १ : भारताने चांद्रयान १ चे २२ ऑक्टोबर २००८ रोजी यशस्वी प्रक्षेपण केले प्रक्षेपणानंतर अवघ्या ८ महिन्यांत चांद्रयान १ ने मोहिमेची सर्व उद्दीष्टे साध्य केली या मोहिमेत चांद्रयानाने चंद्राभोवती ३४०० पेक्षा अधिक प्रदक्षिणा घातल्या सतीश धवन अंतराळ केंद्र श्रीहरिकोटा येथून PSLV-C 11 रॉकेट द्वारे चांद्रयान - १ प्रक्षेपित करण्यात आले होते. ते २७ ऑक्टोबर २००८ म्हणजे प्रक्षेपणानंतर अवघ्या पाच दिवसांनंतर चंद्रावर पोहोचले भांगर, अमेरिका, ब्रिटन, जर्मनी, स्वीडन आणि बल्गेरियामध्ये बनवलेली वैज्ञानिक उपकरणे या चांद्रयानात बसवण्यात आली होती. या चांद्रयानाचे वजन १३८० किलो होते. या मोहिमे मार्फत चंद्राच्या पृष्ठभागावर पाणी आणी बर्फाचा शोध घेण्यासोबतच खनिज आणि रासायनिक घटक शोधून चंद्राच्या दोन्ही बाजूंचे ३ डी छायाचित्र घ्यायचे होते. २९ ऑगस्ट २००९ रोजी अचानक त्याचा रेडियो संपर्क तुटला परंतु तोपर्यंत चांद्रयानाने बहुतेक वैज्ञानिक उद्दीष्टे पूर्ण केली होती म्हणून काही दिवसांनंतर इस्त्रेने या मोहिमेच्या समाप्तीची अधिकृत

घोषणा केली. या मोहिमेचा एकूण खर्च ३८६ कोटी रुपये होता.

चांद्रयान - २ : चांद्रयान २ ही भारताची चंद्रावरील दुसरी मोहिम होती २२ जुलै २०१९ रोजी चांद्रयान २ चे यशस्वी प्रक्षेपण झाले चंद्राच्या दक्षिण ध्रुवाचा शोध घेण्यासाठी ही मोहिम आखण्यात आली २० ऑगस्ट २०१९ रोजी चांद्रयान यशस्वीरित्या चंद्राच्या कक्षेत पोहोचले चांद्रयान २ मध्ये ऑर्बिटर, लँडर आणि रोव्हरचा समावेश होता. चांद्रयान २ या मोहिमेचा एकूण खर्च सुमारे ८०० कोटी रुपये होता. चांद्रयान २ हे स्वदेशी तंत्रज्ञानाच्या जोरावर विकसित केलेले पहिले भारतीय यान होते. चांद्रयान २ चे २३७९ किलो वजन होते भारतीय अंतराळ संशोधनाचे जनक विक्रम साराभाई यांचे नाव चांद्रयान २ मधील लँडरला देण्यात आले होते ६ सप्टेंबर २०१९ च्या पहाटे चंद्रावर विक्रम लँडर व रोव्हर आदळल्यामुळे त्यांचा इस्त्रोच्या मुख्यालयाशी संपर्क तुटला आणि चांद्रयान २ ही मोहिम अयशस्वी झाली.

चांद्रयान - ३ : भारतीय अंतराळ संशोधन संस्थेने २३ ऑगस्ट २०२३ रोजी चांद्रयान ३ मोहिमेमार्फत चंद्राच्या दक्षिण ध्रुवावर सॉफ्ट लॅंडिंग केले १४ जुलै २०२३ रोजी श्रीहरिकोटा येथून चांद्रयान - ३ चे प्रक्षेपण करण्यात आले चांद्रयान ३ च्या प्रवासाला एकूण ४२ दिवस लागले अमेरिका, रशिया, आणि चीन नंतर चंद्रावर यशस्वीरित्या पोहोचणारा भारत हा चौथा देश ठरला विशेष म्हणजे चंद्राच्या दक्षिण ध्रुवाला स्पर्श करणारा भारत हा जगातील पहिला देश आहे. चंद्रावर विविध गोष्टींचे संशोधन या मोहिमेमुळे करता येईल चांद्रयान ३ चे एकूण वजन ३९०० किलो होते. चांद्रयान ३ च्या मोहिमेसाठी आर्टेमिस अकॉर्डसमध्ये सहभागी होणारा भारत २६ वा देश आहे आर्टेमिस अकॉर्डस् हा नासाचा करार आहे. चांद्रयान ३ मोहिमेमुळे जगापासून लपून राहिलेला दक्षिण ध्रुव व या ध्रुवाजवळ पाण्याचे अंश मिळतात का याचे ज्ञान जगाला मिळेल चांद्रयान ३ च्या यशस्वी मोहिमेमुळे चंद्राच्या वातावरणाच्या विविध पैलूंचा अभ्यास वैज्ञानिकांना करता येईल.

चंद्रयान ३ मोहिम

चंद्रयान १ हे अंतराळ संशोधन संस्थेच्या चंद्रयान या चंद्रवरील मोहिमेचा पहिला टप्पा घेऊन जाणारे अंतराळ यान आहे. चंद्रयान १ हे मानवहीन अंतरिक्षयान असून त्यामुळे चंद्राला प्रदक्षिणा मारणारा एक तसेच चंद्रवर अदळणारा एक असे दोन भाग आहेत. ध्रुवीय उपग्रह प्रक्षेपण यानाची प्रगत पिढी (पी.एस.एल.व्ही.सी.-११) या प्रक्षेपकाद्वारे ऑक्टोबर २२, इ.स. २००८ रोजी श्रीहरिकोटा येथील सतीश धवन अंतराळ केंद्रावरून झाले. याचे तीन टप्पे आहेत. नोव्हेंबर ८ रोजी यानास यशस्वीरीत्या चंद्राच कक्षेत टाकण्यात आले १४ नोव्हेंबर २००८ रोजी रात्री ८ वाजून ६ मिनिटांनी यानाला जोडलेला मून इम्पॅक्ट प्रोब यशस्वीरीत्या वेगळा करण्यात आला जवळपास २५ मिनिटांच्या प्रवासानंतर हा प्रोब चंद्राच्या दक्षिण ध्रुवाजवळील शॅक्लटन क्रेटर येथे आदळला. या घनाकृती प्रोबच्या चारही बाजूला भारताचा ध्वज चितारला असल्या मुळे प्रती कालकरीत्या भारतीय ध्वज चंद्रावर पोहावला आहे व हे साध्या भारत हा जगातील चौथा देश बनला आहे.

या दुरसंवेदनशील (रिमोट देन्सिंग) अंतराळयानाचे वस्तुमान प्रक्षेपणाच्या वेळी ११३० किलो ग्रॅम होते व ते चंद्राच्या कक्षेत पोहचल्या वर ३७५ किलोग्राम असेल या

अंतराळयानावर उच्च अचुकते ची (रिझोल्युशनची) दृश्य व अवरत्त प्रकाश तसेच क्ष - किरणासाठीची दूरसंवेदन उपकरणे आहेत. या यानाचा कार्यकाळ दोन वर्षांचा असून या काळात त्याच्याकडून चंद्राच्या पृष्ठभागाचे सर्वेक्षण करून त्यांचा संपूर्ण रासायनिक नकाशा तयार करणे तसेच चंद्राच्या संगचनेचा त्रिनितीय नकाशा तयार करणे उपेक्षित आहे चंद्राच्या ध्रुवीय प्रदेशांना अधिक महत्त्व दिले आहे. कारण तिथे बर्फ असण्याची शक्यता आहे.

या मोहिमेच्या एकूण खर्च अंदाजे ३८६ कोटी व इतर अंतराळसंस्थेचे सहा भाग आहेत. या मध्ये नासा, इसा व बल्गोरिवी अंतराळ संस्थांची स्थापना आहे.

चंद्रयान २ ही मोहिम चंद्रयानाची भारताची दुसरी चंद्रमोहीम आहे. हे यान इस्त्रोने बनवले असून, ते २२ जुलै, २०१९ रोजी श्रीहरिकोटा येथील सतीश धवन अवकाश केंद्रातून भूस्मिर उपग्रह प्रक्षेपण यान मार्क ३ (65LVMK III - M 1) द्वारे प्रक्षेपित करण्यात आले. या यानात कक्षा भ्रमन (Orbiter) लँडर (Lander) व रोव्हर (Rover) यांचा सामावेश असून हे सगळे भारतात विकसित करण्यात आले आहेत.

कस्तुरी

स्वामी विवेकानंद म्हणजे आपल्या भारताचं खरखुरं रूप ! त्यांच्या या नावाभोवती एक वेगळंच वलय आहे. अप्रतिम तेजाचं आणि स्वाभिमानाचं. स्वामी विवेकानंद हे थोर पुरुष होते, त्यांनी मानवी गुण जपत जी अध्यात्मिक प्रगती साधली त्यामुळे आपण सर्वजण त्यांना पुजतो ते बुद्धिमान तर हेतेच परंतु प्रत्येक गोष्ट अनुभवाच्या पातळीवर कसून बघण्याची त्यांना सवय होती. अंधश्रद्धा, जातीव्यवस्था, धर्मांध प्रथा यांच्या विरोधात नेहमी त्यांचे प्रश्न उपस्थित असत. लोकांची एकता आणि विश्वास दृढ करून त्यांनी भारताला एक नवीन ओळख दिली. त्यांचे हे संक्षिप्त वर्णन सगळ्यांसाठी प्रेरणास्थान आहे.

।त्यांच्या या व्यक्तिमत्त्वाच्या गुणांचा आजच्या युगातील नवयुवकांवर कसा प्रभाव पडू शकतो याच उत्तम उधारण म्हणजेच खालील त्यांनी दिलेली एका युवकाला शिकवण. ‘एके दिवशी स्वामी विवेकानंद आपल्या पाठीवर श्वानासह आश्रमाच्या आसपास फिरत होते. आचानक त्यांच्या समोर एक युवक येऊन थांबला त्या युवकाच्या चेहऱ्यावर एक प्रकारची निराशा स्पष्टपणे दिसत होती. त्या युवकाला पाहून स्वामी विवेकानंद थांबले आणि त्यांनी त्या युवकाला येण्याचं प्रयोजन विचारले.

युवक म्हणाला “स्वामीजी मी खूप वेतागलो आहे, मात्र मला काही केल्या यश मिळत नाही, मला दरोदार फिराव लागलं आहे. मी सर्व प्रकारचे उपाय करून पाहिले. मात्र माझ्यासारख्या शिकलेल्या युवकाची फरफटच होत आहे. कृपा करून मला काहीतरी योग्य मार्ग सांगा” असं तो युवक स्वामी विवेकानंद यांनी म्हणाला.

स्वामी विवेकानंद यांनी क्षणाचीही वाट न पाहता त्याला सांगितले, “माझ्या या श्वानाला थोडावेळ फिरवून आण” तो युवक थबकला, त्याला काही समजेना, “मी स्वामी विवेकानंद यांना माझी व्यथा सांगितली तर त्यावर काही मार्ग सांगण्याएवजी ते मला त्यांच्या श्वानाला फिरवून आणायला का सांगतायत ?” असे एक ना अनेक प्रश्न त्या युवकाच्या मनात घोळू लागले. मात्र

स्वामी विवेकानंद यांची आज्ञा मानून तो युवक त्या श्वानाला घेऊन गेला.

जवळपास तास दोन तासाने तो युवक श्वानाला घेऊन परत आला. स्वामी विवेकानंद यांनी पाहिलं तर तो युवक ताजातवाना दिसत होता, मात्र श्वान चांगलाच दमलेला होता. स्वामी विवेकानंद यांनी त्या युवकाला हाच प्रश्न केला. स्वामी म्हणाले “तू इतकावेळ फिरूनही ताजातवाना वाटतोस आणि माझा श्वान मात्र इतका दमलेला का वाटतोय ?”

त्या प्रश्नावर तो युवक तात्काळ उत्तरला “आहो स्वामीजी तो युवक तात्काळ उत्तरला “आहो स्वामीजी तो श्वान इतका वेळ या गल्लीतून त्या गल्लीत, या दारातून त्या दारात जात होता. मी त्याच्यामागे फिरत होतो. तो श्वान कधीकधी कोणावर भूंकतही होता. मात्र मी त्याच्या मागे फिरत राहीलो. खूप धावपळ झाल्याने श्वान थकला असावा”, असं तो युवक म्हणाला.

एक नजर त्या युवकाकडे टाकून स्वामी विवेकानंद म्हणाले, “तू केलेल्या प्रश्नाच उत्तर यातच आहे. इतरांच्या मागे जाऊन इते तिथे भटकून तू दमला आहेस म्हणून तुला यश मिळत नाही. विचार न करता तू इतरांच्या मागे जातोस आणि दमतोस तुला काय करायचं आहे, तुझं ध्येय काय आहे याचा विचार पक्का कर आणि मग त्या दृष्टीने वाटचाल कर यश नक्कीच मिळेल”.

इतका वेळ मनात विचारांचा काहुर माजलेला त्या युवकाला स्वामी विवेकानंद यांचे हे शब्द ऐकून क्षणात समाधान मिळालं तो युवक स्वामी विवेकानंद यांच्या आश्रमाच्या बाहेर पडला तेव्हा त्याच्या चेहऱ्यावर एक वेगळेच हास्य होते.

ग्रुप ऑफ ट्वंटी की परिकल्पना

G-२० का गठन १९९९ में घोषित किया गया था जब अर्थशास्त्रीय संकट के समय अर्थशास्त्रीय नेताओं की बीच समय - समय पर संवाद की जरूरत महसूस हुई। इसका मुख्य उद्देश्य था गरम अर्थव्यवस्था को संभालना और अर्थशास्त्रीय सहयोग बढ़ाना।

G-२० एक आंतराष्ट्रीय संगठन है जो विश्व के २० प्रमुख अर्थशास्त्रीय राष्ट्रों को सम्मिलित करता है। यह संगठन विश्व अर्थव्यवस्था, वित्तीय स्थिति और सामाजिक - राजनैतिक मुद्दों पर चर्चा करता है और संवाद को बढ़ावा देता है।

G-२० में सम्मिलित राष्ट्रों के रूप में, इसमें अमेरिका, चीन, भारत, जापान, रूस, जर्मनी, फ्रांस, इंग्लैंड, कनाडा, मेक्सिको, साउथ कोरिया, तुर्की, अर्जेंटीना, सऊदी अरब, दक्षिण अफ्रीका और युरोपीय संघ शामिल हैं।

ग्रुप की सभा वार्षिक रूप से आयोजित की जाती है और इसमें विश्व की अर्थव्यवस्था के मुद्दों पर चर्चा की जाती है। जिसमें विभिन्न विषयों पर नीति तैयार की जाती है और समझौते होते हैं।

G-२० की सभा वार्षिक रूप से आयोजित की जाती है, जिसमें उपाध्यक्ष राष्ट्रों के नेताओं के साथ बैठके होती हैं। इन बैठकों में विभिन्न विषयों पर चर्चा की जाती है, जैसे कि विश्व अर्थव्यवस्था की स्थिति, वित्तीय संकट, विकास के मुद्दे, और अन्य महत्वपूर्ण विषय।

G-२० के माध्यम से, सदस्य राष्ट्र विश्व के विभिन्न अर्थशास्त्रीय और राजनैतिक मुद्दों पर बातचीत अर्थशास्त्रीय और राजनैतिक मुद्दों पर बातचीत करते हैं और समझौते करते हैं। यह संगठन विश्व अर्थव्यवस्था में सुधार के लिए साझेदारी और सहयोग की बढ़ावा देता है। इसके अलावा, यह एक मंच भी प्रदान करता है जिस पर विभिन्न अर्थशास्त्रीय और राजनीतियों पर विचार किया जा सकता है जो विश्व अर्थव्यवस्था के सुधार में मदद कर सकती हैं।

समग्र रूप से, G-२० एक महत्वपूर्ण संगठन है जो विश्व के अर्थशास्त्रीय और राजनैतिक मुद्दों को समझने और समाधान करने के लिए महत्वपूर्ण भूमिका निभाती है।

G - २० सम्मेलन का थीम वसुदेव कुटुंबकम्

G-२० ग्रुप ऑफ ट्वंटी एक अंतराष्ट्रीय मंच है जिसमें १९ देश यूरोप संघ शामिल हैं। इसकी स्थापना १९९९ में की गई थी। G-२० अंतराष्ट्रीय वित्तीय स्थिरता, जलवायु परिवर्तन, व्यापार, कृषि और सतत विकास सहित वैश्विक आर्थिक मामलों से संबंधित महत्वपूर्ण विषयों पर काम करता है। दर साल G-२० की अध्यक्षता अलग - अलग सदस्य देशों द्वारा की जाती है और इस सम्मेलन की अध्यक्षता करने वाले देश का मुख्य कार्य किसी विशिष्ट विषय पर सभी देशों के बीच आम सहमति बनाना होता है।

G-२० की पहली बैठक २००८ में वाशिंगटन डीसी (USA) में हुई। अब तक G-२० की कुल १७ बैठक हो चुकी है और इस साल इसकी १८ वीं बैठक की मेजबान भारत द्वारा ९-१० सितंबर, २०२३ को नई दिल्ली में की गई है। G-२० नई दिल्ली शिखर सम्मेलन की अध्यक्षता माननीय प्रधानमंत्री नरेंद्र मोदी ने की है।

भारत की ओर से G-२० शिखर सम्मेलन का थीम 'वसुदेव कुटुंबक' रखा गया है। इसका अर्थ है 'एक पृथ्व, एक परिवार, एक भविष्य' है।

G-२० की अध्यक्षता हर साल सदस्यों के बीच बदलती है। अध्यक्षता करने वाला देश, पिछले और अगले राष्ट्रपति पद धारकों के साथ मिलकर, G-२० एजेंडा की निरंतरता सुनिश्चित करने के लिए 'ट्रोइका' बनाता है। G-२० नई दिल्ली शिखर सम्मेलन में अमेरिका, ब्रिटेन, फ्रांस, कनाडा, इटली, सऊदी अरब, अर्जेंटीना समेत दुनिया के तमाम शक्तिशाली देशों के राष्ट्राध्यक्ष शामिल हुए थे। भारत के पास १ दिसंबर २०२२ से ३० नवंबर २०२३ तक G-२० की अध्यक्षता है। इसके बाद २०२४ में १९ वे G-२० की अध्यक्षता ब्राजील के पास होगी।

प्रधानमंत्री के नेतृत्वमें G - २० शिखर सम्मेलन

ग्रुप ऑफ ट्वेंटी के इस शिखर सम्मेलन ने भारत को विश्व के लिए एवं विश्व को भारत के लिए तैयार करने में सहायनीय भूमिका निभाई है। भारत मानता है की महामारी के बाद की विश्व व्यवस्था इसके पूर्व की विश्व व्यवस्था से भिन्न होनी चाहिए। भारत की अध्यक्षता में दिल्ली के भारत मंडप में G-२० का शिखर सम्मेलन उपलब्धियों में परिपूर्ण रहा। देश के यशस्वी, ऊर्जावन एवं दूरदर्शी प्रधानमंत्री नरेन्द्र मोदी के कुशल नेतृत्व में इस सम्मेलन ने बुलंदियों का नया आसमान छुआ। भारत की कूटनीतिक सफलता का परिणाम है कि सभी सदस्य देशों द्वारा दिल्ली घोषणा पत्र को सर्वसम्मति से स्वीकार किया गया एरां विश्व की ८५ प्रतिशत जीडीपी वाले अफ्रीकन यूनियन के G-२० समूह में प्रवेश सहित ग्लोबल साउथ की आवश्यकताओं पर ध्यान देने पर सहमति बनी।

इस वर्ष भारत ने G-२० सम्मेलन में स्पेन, संयुक्त अरब अमीरात, ओमान, बांग्लादेश, मिस्त्र, नोदरलैंड, मॉरीशस, सिंगापुर और नाइजीरिया को विशेष आमंत्रित सदस्य के तौर पर आमंत्रित किया था। ध्यातव्य है कि पूर्व में रूस - यूक्रेन के विषय को लेकर इस घोषणापत्र को स्वीकार्यता मिलने में समस्या आ रही थी। इस गतिरोध को दूर करने हेतु भारतने कूटनीति का परिचय देते हुए घोषणा पत्र के पैराग्राफ में ऐसे परिवर्तन किए जिससे इसे सहजता से स्वीकृति मिलो। भारत ने संयुक्त राष्ट्र चार्टर के उद्देश्यों एवं सिद्धांतों के अनुरूप ही

आगे बढ़ना चाहिए। साथ ही सभी को अन्य देशों की अखंडता एवं संप्रभुता या राजनीतिक स्वतंत्रता के विपरीत अधिग्रहण की धमकी या शक्ति के प्रयोग से बचना चाहिए। प्रधानमंत्री मोदी जी ने दोहराया G-२० की हमारों अध्यक्षता का संदेश है “एक पृथ्वी, एक कुटुम्ब एवं एक साझा भविष्य” अतः G-२० घोषणा - पत्र सतत, सर्वसमावेशी, प्रकृति - केंद्रित विकास के मॉडल पर आधारित है। इसमें विकास हेतु सतत हरित मार्ग की परिकल्पना की गई है। आतंकवाद एवं वैश्विक भ्रष्टाचार को खत्म करने, पारंपारिक विरासत को संभालने तथा गुणवत्तापूर्ण शिक्षा के तीव्र प्रसार के प्रयासों पर भी भारत की पहल को स्वीकारता मिली है। भारत ने राष्ट्रीय एवं अंतराष्ट्रीय आवश्यकताओं की पूर्ति सर्वथा सक्षम राष्ट्रीय शिक्षा नीति के परिवर्तनकारी पहलुओं से सदस्य देशों को परिचित करवाया। सभी ने माना कि शिक्षा में सृजनात्मकता, तर्कसंगत सोच, अनुसंधान, कौशल विकास, डिजिटल इंफ्रास्ट्रक्चर, रोजगार सृजन को बढ़ावा देकर शिक्षा के नूतन लक्ष्यों को प्राप्त कर सकेंगे।

‘ओलंपिक डे’

ओलंपिक खेल, स्वस्थ और साथ रहने का उत्सव है। यह हर साल २३ जून को दुनिया भर के सभी लोगों को एक्टिव होने और उद्देश्य के साथ आगे बढ़ने के लिए आमंत्रित करता है। दुनिया भर के प्रतिभागी उस दिन को याद करेंगे, जिस दिन पेरिस के सोरबोन में अंतराष्ट्रीय ओलंपिक समिति की स्थापना की गई थी। जहां पिपरे डी कूपर्टिन ने २३ जून १८९२ को प्राचिन ओलंपिक खेल पुनरुद्धार के लिए रैली निकली थी। इस खेल के माध्यम से दुनिया को एक बेहतर जगह बनाने का प्रतिनिधित्व करता है। २०२३ में ओलंपिक डे की थीम ‘लेट्स मोर’, निर्धारित की गई है जिसका उद्देश्य दुनिया भर के लोगों को ट्रेनिक शारीरिक गतिविधि के लिए समय निकालने के लिए प्रेरित करना है। दुनिया पहले से कहीं ज्यादा तेजी से आगे बढ़ रही है,

लोग कम चल रहे हैं, रिसर्च से पता चला है कि ८० प्रतिशत से अधिक युवा ऑप्टिमम मानसिक और शारीरिक स्वस्थ के लिए दैनिक गतिविधि स्तर तक पहुँचने में असफल रहते हैं।

“सदा खेल में होते विजयी, और जय - पराजय होती है।”

पहला ओलंपिक डे २३ जून १९४८ को मनाया गया था। पुर्तुगाल, ग्रीस, ऑस्ट्रेलिया, कनाडा, स्विट्ज़लैंड, ग्रेट ब्रिटेन, वेनेजुएला और बेल्जियम ने अपने - अपने देशों में ओलंपिक दिवस का आयोजन किया। ओलंपिक चार्टर के १९७८ एडिशन में, आइ.ओ.सी. (१०८) ने पहली बार सिफारिश की कि सभी NOCs ओलंपिक आंदोलन को बढ़ावा देने के लिए एक ओलंपिक दिवस का

आयोजन करें। ओलंपिक में विभिन्न प्रकार के खेल खेले जाते हैं। यह खेल राजीव गांधी शहरी एवं ग्रामीण योजना की ओर से राजस्थान में किया गया है। ओलंपिक का आयोजन कबड्डी, शूटींग बॉल, टेनिस बॉल क्रिकेट, खो-खो, वॉलीबॉल और हॉकी खेलों के लिए किया जाता है। वर्ष २०२२ के ओलंपिक में खेल में गोल्ड मेडल पाने वाले जिले निम्नलिखित हैं :-

१) कबड्डी (पुरुष)-चुरु, महिला - हनुमानगढ़ आदि २०२३ वर्ष में यह गौरव भारत को प्राप्त हुआ है।

ओलंपिक डे रन की शुरुआत साल १९८७ में १० किमी की दूरी के साथ की गई थी जिसमें ४५ एनओसी ने हिस्सा लिया था। सल २०२३ में ८१ एन.ओ.सी. ओलंपिक डे रन के अपने संस्करणों को आयोजित करेंगे, जिनमें से कई एनओसी में यह आयोजन अपने ओरिजनल फॉर्मेट से कुछ अलग हो चुका है। इसके माध्यम से देश की प्रगति होगी।

चंद्रयान - ३ भारत का अंतरिक्ष में एक और कदम

“व्योम से पाताल तक सब कुछ उसे है ज्ञेय, खुल गए परदे अंतरिक्ष के, राह अब क्या अजेय।”

भारतीय अंतरिक्ष एजेंसी ‘इसरो’ ने चंद्रयान - ३ मिशन की घोषणा की है, जो चंद्रयान - २ के बाद भारत के लिए एक और महत्वपूर्ण कदम है। यह मिशन चंद्रमा की सतह पर एक लैंडर भजने का उद्देश्य रखता है और इसे चंद्रमा की खोज और अनुसंधान के लिए एक महत्वपूर्ण कदम माना जा रहा है।

चंद्रयान - ३ मिशन की योजना विज्ञानिकों ने तैयार की है और इसे चंद्रमा पर लैंडिंग के लिए विकसित किया गया है। इस मिशन में अनेक नए तकनीकी उपकरणों का उपयोग किया जाएगा जो चंद्रमा की सतह के अध्ययन को सुगम और सटीक बनाने में मदद करेंगे।

चंद्रयान - ३ मिशन के लैंडर की अनुमानित अवकाश क्षमता १५०-२०० किलोग्राम है, जिसमें सभी आवश्यक उपकरण और उपकरण शामिल हैं जो चंद्रमा की सतह के अध्ययन के लिए आवश्यक हैं। चंद्रयान - ३ के लैंडर के साथ, एक रोवर भी होगा जो चंद्रमा की सतह पर गश्ती करेगा और वैज्ञानिकों को और अधिक जानकारी प्राप्त करने में मदद करेगा।

चंद्रयान - ३ मिशन की योजना में भारत के अनुसंधान क्षेत्र के विशेषज्ञों का महत्वपूर्ण कदम आगे बढ़ाएगा और चंद्रमा की सतह और महत्वपूर्ण कदम आगे बढ़ाएगा और चंद्रमा की सतह के अध्ययन में नए डाटा और जानकारी प्राप्त करेंगे।

इसरो के अध्यक्ष डॉ. के. एस. ईयान ने इस मिशन को ‘तकनीकी महाकाव्य’ कहा है और इसका महत्व बताया है। १४ जुलाई २०२३ को चंद्रयान - ३ ने श्रीहरिकोटा में अवस्थित सतीश धवन अंतरिक्ष केंद्र से उड़ान भरी थी। अंतरिक्ष यान नं. ५ अगस्त २०२३ को चंद्र कक्षा में निर्बाध रूप से प्रवेश किया। ऐतिहास क्षण तब सामने आया जब लैंडर ने २३ अगस्त २०२३ को चंद्र दक्षिणी ध्रुव के निकट एक सफल लैंडिंग की।

निष्कर्ष :

भारत के अंतरिक्ष कार्यक्रम को नई ऊँचाइयों पर ले जाने के लिये सार्वजनिक भागीदारी पहल के साथ - साथ रणनीतिक वित्तीय योजना और सक्रिय अंतराष्ट्रीय सहयोग की आवश्यकता है।

चांद पर खरगोश

बहुत समय पहले गंगा किनारे एक गाँव था, उस गाव में एक जंगल था जिसमें चार दोस्त रहते थे, खरगोश, सियार, बंदर और ऊदबिलाव । इन सभी दोस्तों की एक ही चाहत थी । सबसे बड़ा दानवीर बनना । एक दिन की बात है, कि चारों दोस्तों ने एक - साथ एक फैसला लिया कि बो कुछ - न - कुछ ऐसा ढूँढकर लाएंगे, जिसे वो दान कर सकें । दान करने के लिए चारों मित्र अपने - अपने घर से निकले ।

ऊदबिलाव गंगा तट से लाल रंग की सात मछलियाँ लेकर आ गया । सियार दही से भरी हांडी और मांस का टुकड़ा लेकर आया । उड़के बाद बंदर उछलता - कूदता बाग से आम के गुच्छे लेकर आया । दिन ढलने को था, लेकिन खरगोश को कुछ नहीं समझ आया । उसने सोचा अगर वो घास का दान करेगा, तो उसे दान का कोई लाभ नहीं मिलेगा । यह सोचते - सोचते खरगोश खाली हाथ वापस अपने मित्रों के पास चला गया ।

खरगोश को खाली हाथ लौटते देख उससे तीनों मित्रों ने पूछा अरे तुम क्या दान करने वाले हो आज । आज ही तो दान करने से महादान का लाभ मिलेगा, पता है न तुम्हें । खरगोश ने कहा हा मुझे पता है । इसलिए आज मैंने खुद को दान करने का फैसला लिया है । यह सुनकर खरगोश के सारे दोस्त हैरान हो गए । जैसे ही इस बात की खबर इंद्र देवता तक पहुँची, तो वो सीधे धरती पर आ गए ।

इंद्र साधु का भेष बनाकर चारों मित्रों के पास पहुँचे । पहले सियार, बंदर और ऊदबिलाव के पास से दान लिया । फिर खरगोश के पास इंद्र देवता पहुँचे और कहा तुम क्या दान देने वाले हो तुम्हारे हाथों में तो कुछ भी नहीं है । तब खरगोश ने इंद्र देवता

को बताया कि वो खुद को दान कर रहा है । इतना सुनते ही इंद्र देव ने वहाँ अपनी शक्ति से आग जलाई और खरगोश को उसके अंदर समाने तथा आग में जाने को कहा ।

खरगोश हिम्मत करके आग के अंदर प्रवेश कर गया । इंद्र यह देखकर हैरान रह गये । और उन्हें लोग को भी तथा इंद्र देव के मन में हुआ कि खरगोश सही में बहुत बड़ा दानी है । और इंद्र देव यह देख बहुत खुश हुए । उधर खरगोश आग में भी सही सलामत खड़ा था । तब इंद्र देव ने कहा, मैं तुम्हारी परीक्षा ले रहा था । यह आग मायावी है, इसलिए इससे तुम्हें कोई नुकसान नहीं पहुँचेगा ।

इतना कहने के बाद इंद्र देव ने खरगोश को आशीर्वाद देते हुए कहा, तुम्हारे इस दान को पूरी दुनिया हमेशा याद करेगी । मैं तुम्हारे शरीर का निशान चांद पर बनाऊँगा । इतना कहते ही इंद्र देव ने चांद में एक पर्वत को मसलकर खरगोश के निशान बना दिया । तब से ही मान्यता है कि चाँद पर खरगोश के निशान है इसी तरह चाँद तक पहुँचे बिना ही चाँद पर खरगोश की छाप पहुँच गई ।

“करत - करत अभ्यास के, जड़ मति होत सुजान”
किसी भी काम को करने के लिए दृढ़ शक्ति का होना जरूरी है ।

हिट एंड रन

हिट एंड रन को सड़क दुर्घटनाओं के रूप में जाना जाता है जहाँ एक चालक किसी वाहन या मनुष्य को टक्कर मारने के बाद भाग जाता है, बिना पीड़ित की मदद के रुकने और पुलिस को घटना की सूचना दिए। पहले भारतीय दंड संहिता के तहत हिट एंड रन कानून के लिए सजा दो साल के तक की जेल की सजा भी। अक्सर आरोपी जमानत के साथ छूट जाता था। हालांकि, इस तरह के मामलों की संरक्षा को काम करने के लिए अब कानून सख्त होगा। आइए जानते हैं कि नया हिट एंड रन कानून क्या है।

पिछले साल केंद्र सरकार ने भारतीय न्याय संहिता के तहत नया 'हिट एंड रन' कानून पारित किया था। ऐसे सड़क 'दुर्घटना' मामलों पर यह विशिष्ट नियम कहता है कि अगर चालक सड़क दुर्घटना के बाद पुलिस को टक्कर की सूचना दिए बिना मौके से भाग जाता है, तो उसे १० साल की जेल और ७ लाख रुपये का जुर्माना भुगताना होगा। नए नियम निजी वाहन मालिकों पर भी लागू होते हैं। विरोध कर रहे ट्रक चालकों का कहना है कि नए कानून के प्रावधान बहुत सख्त हैं और उन्हें नरम किया जाना चाहिए।

केंद्र सरकार के अनुसार, पूरे भारत में हर साल लगभग ५०,००० लोग हिट एंड रन मामले में अपनी जान गंवा देते हैं। ऐसे

मामलों में अक्सर पीड़ितों की मदद के अभाव में ही उनकी मृत्यु हो जाती है। राज्यों में पुलिस अधिकारी अच्छे नागरिकों को प्रोत्साहन कर रहे हैं जो ऐसे मामलों की रिपोर्ट करते हैं, जिससे पीड़ितों की जान बचाने में मदद मिली है। पुलिस को सूचित करने से घायल लोगों को समय पर अस्पताल पहुंचाने में मदद मिलती है। उम्मीद है कि नया कानून और इसके सख्त प्रावधान हिट एंड रन मामलों में शामिल लोगों के मन में डर पैदा कर उन्हें ऐसा करने से रोकेंगे। हालांकि, ऐसे मामलों में आरोपी को उस समय नरमी दिखाई जाएगी जब वे पीड़ितों को अस्पताल ले जाकर उनकी देखभाल करेंगे।

मध्य प्रदेश, छत्तीसगढ़, महाराष्ट्र, दिल्ली, हरियाणा, उत्तर प्रदेश और बिहार जैसे राज्य में ट्रक ड्राइवर नए हिट एंड रन नियम का विरोध कर रहे हैं। ट्रक चालकों को बस टैक्सी और ऑटो चालकों का समर्थन हासिल है। विरोध कर रहे ड्राइवर का तर्क है कि अगर वे ऐसे हादसों के बाद रुकेंगे तो मौके पर, मौजूद भीड़ उन पर हमला कर सकती है। अक्सर सड़क दुर्घटना होने पर मौके पर मौजूद भीड़ उगत हो जाती है और ड्राइवर पर हमला कर देती है।

लालच का वायरस

एक गाँव में एक गरीब किसान रहता था, उसके सात उसकी पत्नी भी रहती थी. किसान तो बहुत ईमानदार था परन्तु उसकी पत्नी बहुत ही लालची स्वभाव की थी, जिसके कारण वो अपने पति को हमेशा ताना मारती थी कि जाओ कुछ काम के लाओ। वो किसान रो - रोज अपनी पत्नी के तानों से बहुत ही परेशान हो गया था। वह दिन भर अपने खेतों में मेहनत करता था फिर भी उसकी पत्नी सोचती थी कि हम एक झटके में अमीर हो जाएँ - मुझे दुनिया की खुशी मिल जाए।

लेकिन किसान बार - बार अपनी पत्नी को यही समझाता था कि हमें मेहनत करने के बाद खुशी मिलेगी उससे अच्छी खुशी कुछ भी नहीं होती, लेकिन उसकी पत्नी के लालची स्वभाव के कारण यह बातें समझ में ही नहीं आती थी. वो किसान अपनी पत्नी के तानों से बड़ा परेशान रहता था।

एक दिन किसान जंगल में लकड़ी काटने गया और उस दिन धूप बहुत तेज थी तो किसान धूप और गर्मी से बहुत जल्दी थक गया। और वह आराम करने के लिए एक पेड़ के नीचे बैठ गया

और अपने पत्नी के बारे में सोचने लगा. इतने में एक साधू जंगल से गुजर रहे थे तो उन्होंने उस किसान को देखा और समझ गये कि किसान जरूर किसी बात से परेशान है. वो उसके पास गये और उन्होंने उस किसान से परेशानी का कारण पूछा किसान ने उस साधू को प्रणाम किया और बोला कि मैं परेशान नहीं हूँ, थोड़ा थक गया हूँ इसलिए चेहरे पर थोड़ी चिंता वैसी भावना दिख रही होगी. लेकिन साधू ने कहा, “नहीं, तुम जरूर किसी वजह से परेशान हो, इसलिए हमें बताओ, शायद मैं तुम्हारी कोई मदद कर सकूँ”. साधू के बार - बार कहने पर किसान अपने घर और पत्नी की स्थिति के बारे में सब कुछ बताने लगा. तो साधू ने कहा, “बस इतनी सी बात है, तुम गरीब हो इसलिए यह समस्या तुम्हारे साथ है. इसलिए मैं तुम्हें एक ऐसी थाली दे रहा हूँ जिसमें अगर रात को थाली से कुछ भी माँग कर थाली को ढक कर सो जाओगे तो सुबह माँगी हुई चीज जरूर मिलेगी. लेकिन तुम्हें इस बात का ध्यान रखना होगा कि एक रात में एक ही चीज माँगना है और यदि एक ही रात में एक से ज्यादा चीजें इस थाली के द्वारा दी गयी सारी चीजें गायब हो जाएँगी, और यह थाली भी गायब हो जाएगी।”

साधू की बात सुनकर किसान बहुत खुश हुआ और मन ही मन सोचने लगा कि सब चीजे धीरे - धीरे बदल जाएँगी, हम गरीब से अमीर हो जाएंगे और मेरी पत्नी भी खुश रहेगी. ऐसा सोचकर किसान ने उस साधू को धन्यवाद किया और फिर हँसी खुशी अपने घर लौट आया और उस थाली के बारे में अपनी पत्नी को बताया पहले उसकी पत्नी को विश्वास नहीं हुआ लेकिन किसान के समझाने पर वो मान गयी। वह दोनों रात होने का इंतजार करने लगे जब रात हुई तो किसान और उसकी पत्नी ने थाली से सोने के

सिक्के मरे हुए थे। अब किसान और उसकी पत्नी की खुशी का ठिकाना ना रहा क्योंकि साधू की बात सच हो गई थी। अब सोने के सिक्के देख कर उसके मन में और ज्यादा लालच उत्पन्न हो गया. फिर एक रात उसने महल, फिर दासी, नौकर - चाकर सब कुछ एक-एक करके माँग लिया, तो अगले दिन उसे मन चाही चीज मिल जाती थी।

अब तो किसान पत्नी गरीब से अमीर हो चुकी थी और उसकी खुशी का ठिकाना ही नहीं रहता था, लेकिन उसके मन का लालच दिन प्रतिदिन बढ़ता ही जा रहा था, लेकिन किसान उसे बहुत समझाता कि इतना सुख सम्पत्ति हमारे लिए बहुत है। लेकिन वह कहाँ मानने वाली थी इसी बीच किसान एक दिन जरूरी काम से कहीं बाहर गया तो किसान की पत्नी ने उस रात थाली से एक साथ ढेर सारी चीजें माँग ली. फिर क्या था अगले दिन साधू के कथन के अनुसार वह थाली और थाली द्वारा दी गयी शुरु से लेकर अब तक की सभी चीजें गायब हो चुकी थी। लालच का वायरस सुरसा राक्षसी की तरह बढ़ता ही गया और सुख साधनों को निगल गया।

इसके बाद किसान की पत्नी फिर से अपने टूटे झोपड़े में आ गई थी। यह सब देखकर वो पछताने लगी। इतने में किसान भी आ गया और ये सब देख कर उसे समझने में जरा भी देर नहीं लगी और अपनी पत्नी को खूब प्रताड़ित किया “और करो लालच” यह कथन आदिकाल से प्रचलित है क्योंकि लालच बुरी बला है। लेकिन अब सिर्फ पछताने के सिवा कुछ नहीं बचा था। “अब पछताए होत क्या, जब चिड़ियाँ चुग गईं खेत।”

हिंदी दिवस

भारत माँ की शान है हिंदी
हम सब का अभिमान है हिंदी ।

जन - जन की भाषा है हिंदी,
भारत की आशा है हिंदी ।

बच्चों का पहला शब्द है हिंदी,
माँ के प्रेम की छाया है हिंदी ।

हिंदुस्तान की गौरव गाथा है हिंदी,
एकता की अनोखी परंपरा है हिंदी ।

हिंदुस्तान की आवाज है हिंदी,
हर दिल की धड़कन है हिंदी ।

सरल शब्दों में कहा जाए तो,
जीवन की परिभाषा है हिंदी ।

हिंदुस्तान की शान है हिंदी,
हर भारतीय का सम्मान है हिंदी ।

गाना

अलग अलग और अजब - गजब है

भाषाएँ भारत की - २

जो करदे सबको एक - २

वह भाषा हिंदी है भारत की

हिंदी है भारत की - २

जाना है तुमको.....

जाओ जहाँ - २

पर हिंदी को अपनाओं वहाँ

जो सबके मन बस जाए - २

वह भाषा हिंदी है भारत की

हिंदी है.....

जाने अनजाने देखो हिंदी का दामन न टूटे

अपनी मिट्टी अपनी भाषा से देखों हम न रुढ़े - २

जाना है तुमको.....

जाओं जहाँ - २

पर हिंदी वहाँ

जो सबके २

वह भाषा हिंदी है भारत की

हिंदी है २

सोचो जरा हटके, रखो बात अपनी हिंदी में

तुम करोगे कोशिश तो सबको सुनना होगा हिंदी, में

जाना

जाओं जहाँ - २

पर हिंदी वहाँ

जो सबके मन

वह भाषा हिंदी है भारत की

हिंदी है भारत की - २

‘चन्द्रयान’

अंतरिक्ष में गुंज उठा भारत का
अभिमान ।
चन्द्रयान से तीसरो को मिला
अन्तराष्ट्रीय देशों से सम्मान
जिसका जग में हुआ विस्तार ।
जिसका है, ये बहुत पहले से हकदार ।
अंतरिक्ष में गुंज उठा भारत का अभिमान ।
मेरे भारत के वैज्ञानिकों तुम
गौरव हो भारत का
तुम पहचान हो भारत का
तुम अभिमान हो भारत का
भारत को मिला तुमसे फिर नया पहचान ।
अंतरिक्ष में गुंज उठा भारत का अभिमान ।
है, ये कमाल महिलाओं के ज्ञान का ।
उनके इस पहचान का ।
अंतरिक्ष में गुंज उठा भारत का अभिमान ।
इन्द्रयान तीसरे का नाम
रखा गया विक्रम प्रज्ञान ।
अंतरिक्ष में गुंज उठा भारत का अभिमान ।

शायरी

ऊँच - नीच को नहीं मानती हमारी हिंदी
इसलिए ना तो उसमें कोई ‘कैपिटल लेटर’
होता है, और ना ही स्माल हिंद हमारी पहचान
हमारा गर्व
साथ ही ‘आधे अक्षर’ को सहारा देने ‘पूरा अक्षर’
हमेशा तैयार रहता है, मुझे गर्व है अपनी हिंदी पर ।

जिंदगी

दो पल की जिंदगी है....
आज बचपन, कल जवानी,
परसों बुढ़ापा, फिर खत्म कहानी है ।
आओ जिंदगी को गाते चले,
कुछ बातें मन की करते चले
रुठो को मनाते चलें
चलो हंस कर जिए, चलो बुलकर जिल
फिर ना आने वाली यह रात सुहानी.....
फिर ना आने वाला यह दिन सुहाना ।
कल जो बीत गया सो बीत गया
क्यों करते हो अनो वाले कल की चिंता
आज और अभी जियो, दूसरा पल हो ना हो ।
आओ सब के साथ चलते चले
जिंदगी का सफर यूँ ही काटते चले ।

दिल्ली में अब हम

का आयोजन करेंगे
८-९ और १० सितंबर को
अब मेहमानों का
आदर सत्कार करेंगे ।

दिल्ली में अब हम दिल
भी बात करेंगे
वसुदेव कुटुंबकम नारा है अपना
हम सब इसको साकार करेंगे ।

कुछ योग कुछ सूर्य नमस्कार करेंगे
चंद्रयान और सोलन मिशन
पर 'अदित्य' और 'प्रज्ञान' का
धन्यवाद करेंगे ।

सबकी रक्षा, सबकी सुरक्षा
सबकी सेवा, सबकी सेवा
अब हम स्वीकार करेंगे ।
दिल्ली में अब हम
का आगाज करेंगे ।

जब आए मेहमान तुम्हारे
मेरी दिल्ली भी दिखलाना
उन्हे सुनाना असल कहानी
कैसे लड़ी दादी और नानी
रात - दिन धरने पर बैठी
जितना है ये मुल्क तुम्हारा
उतना ही है मुल्क हमारा

इसके बाद उन्हे बताना
कैसे सड़को पर रहते हैं ।
कैसे कहते रात - दिन है
कैसे यह, जीवन जीते हैं ।

ले जाना मजदूर की बस्ती
ले जाना उन फैक्टरियों में
जहाँ लगती हर बरस आग है,
और निकलने का कोई रस्ता नहीं

तुम उन्हे नई दिल्ली भी दिखलाना
लेकिन पुरानी भुल न जाना
रहना अंधेरी गलियों में
कैसा - दुख का डेरा है ।

वो दिल्ली भी तुम दिखलाना
जहां कराएं तुमने दंगे
हिंदु-मुस्लिम आग लगाकर
वोट बढ़ाए तुमने अपने

उन सड़को पर भी ले जाना
जहाँ चले मजदूर थे पदेल
कोविड के इस लॉकडाऊन में
कितना जीवन हुआ था मुश्किल

उन्हें बताना कैसे बच्चों के सर
वे तोड़ी तुमने लाठी कैसे
तानी बंदूके थी, कैसे डाली
नई परिपाटी थी ।

शिक्षा को बर्बाद किया है,
शिक्षक को बदनाम किया है,
छात्रों को जेलों में डाला
एंटीनेशनल नाम दिया है ।

हां तुम एक बात बताऊँ
एक चालाकी भी समझाऊँ
दिल्ली के भीतर की बात करना
नहीं देश की बात बताना
मणिपुर का नाम भी भुले
अपने मुंह पर तुम ने लाना

नही बताना गुजरात - अचोहया
मूंह का भी कोई जिक्र न करना ।
बस्ती - बस्ती आग लगी है
लेकिन इसकी फिफ्र न करना ।

महंगाई की बात न करना
बेकारी का नाम न लेना
जनता कैसी ठगी खड़ी है
जनता का पैगाम न लेना

बस तुम 'मन की बात सुनाना
हंस - हंस के हर बात बताना
कैसे एक ससंद के होते
दुखी का निर्माण किया है,
राजदंड को लागू करके
लोकतंत्र को कुचल दिया है ।
